AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER (State whether Master, First or Second Officer), of the "STAVANGERFJORD", from BERGEN, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 47 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartm Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, S land, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most o people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., co ments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, A Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (so

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall cons permanent residence. The last country in which alien resided with the intention of remaining on or more shall be the last permanent residence regardless of length of actual residence therein. The e in column 11 should show the country and city or town of last permanent residence. It is importa statistical purposes that steamship companies accurately show country of last permanent residence pendent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United State are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).- entry should give name and address of such relative. If no such relative living, give name and ad of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future perm residence. An intended residence of one year shall constitute permanent residence. The entry sh show definitely the place (city or town) of intended future permanent residence, if within the U States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ti or No (no ticket).

Column 16 (*By whom the passage paid*).—The entry should show definitely by whom passag paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each (individual or family) the exact amount of money shown. Money brought by the head of a family sh not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries sh show whether or not (Yes or No) in the United States before; and if so, the year (or period of years)

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person arriving, as, for example, clerk, engineer, shoemaker, tailor, merchant, mechanic, farmer, laborer, servant girl, seamstress, housekeeper, etc., and not simply "worker," "laborer," or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works for a farmer who operates it.

A separate statement of the number in each class and sexes to be shown should be made.

Stewards, cooks, and other members of the crew who are discharged in the United States are not to be entered as passengers, but should be reported separately to the immigrant inspector in charge.

If necessary to be more explicit, specify the particular kind of laborer, as "engineer (stationary)," "engineer (locomotive)," "engineer (civil)," "engineer (mining)," "engineer (steam-vessel)," "engineer (electrical)," "engineer (mechanical)," "engineer (consulting)," "engineer (hydraulic)," "engineer (topographical)," "engineer (irrigation)," "engineer (sanitary)," "engineer (gas)," "engineer (marine)," "engineer (textile)," "engineer (metallurgical)," "engineer (chemical)," "engineer (ceramic)," "engineer (architectural)," "engineer (agricultural)," "engineer (forest)," "engineer (heating and ventilating)," "engineer (safety)," "engineer (geological)," "engineer (geographical)," "engineer (geodetic)," "engineer (petroleum)," "engineer (aeronautical)," "engineer (automobile)," "engineer (refrigerating

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as correctly as possible the occupation, trade, or profession of each person, as actually exercised, thus: Accountant, agriculturist, baker, barber, blacksmith, bookbinder, brewer, bricklayer, butcher, cabinetmaker, carpenter, chemist, clerk, cook, dressmaker, engineer, farmer, fireman, fisherman, gardener, glassblower, harness maker, housekeeper, iron worker, joiner, laborer, lawyer, locksmith, machinist, manufacturer, mason, merchant, miller, miner, moulder, nurse, painter, peddler, physician, plumber, porter, potter, printer, saddler, sailor, servant, shoemaker, silversmith, spinner, stonecutter, surgeon, tailor, tanner, tinsmith, turner, weaver, wheelwright, wood turner, etc., and not simply laborer, except where laborer is the established occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for others on wages or on shares.

Special care should be exercised to distinguish between the two classes, and correct terms should be made if necessary, by the inspector at the port of arrival, in case the entry is found to be incorrect.

Column 8 (*Nationality*).—Quite frequently the nationality of a person is not the country to which he last belonged, as he may have resided for a long time in another country before coming to the United States. The nationality should be entered as the country of which the person is a citizen or subject.

Column 9 (*Race or people*).—The list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs. Special care should be exercised to distinguish between the various races mentioned in the list. For instance, the Hebrew is frequently found to be a native of Russia, Germany, or Austria-Hungary, and unless the fact is developed that he belongs to the Hebrew race, he may be reported as a native of one of those countries instead of as a Hebrew. Similarly, natives of Scotland, Ireland, or Wales frequently report their race as British, when in fact they belong to the Celtic, Gaelic, or Welsh race. Particular care should be exercised to avoid the reporting of natives of England, Scotland, or Ireland, or any other country, as belonging to the Anglo-Saxon race. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come direct to the United States from Africa. The people of the West Indian Islands and Central and South America, as a rule, are more or less mixed with African blood, but no person of African blood or African descent should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces Piedmont, Lombardy, Venetia, and Emilia, and those portions of Tuscany lying in the valley of the Po) are classified as "Italian (north)." Most of these people speak a crude dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Po (i. e., comprising the provinces of the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, no matter where born, are classified as "Italian (south)." Many of these people speak a dialect of the Italian language which is unintelligible to persons familiar with only the literary Italian. Illiterate persons, or persons who can not read and write any language, should be classified as "Italian (south)" unless it is known that they belong to the Hebrew race.

Column 10 (*Last permanent residence*).—The answer to this question should show the country which each alien has adopted as his permanent residence, and from which he comes to the United States. The mere intention of remaining permanently in the United States does not constitute a person a permanent resident, nor does the fact that he has resided temporarily in the United States for a number of years constitute him a permanent resident if he has always had the intention of returning to his native country. Aliens who have been naturalized should report the country in which they were naturalized as the country of their last permanent residence. Persons who have resided in the United States and have subsequently gone to some foreign country for a temporary visit should report the United States as the country of their last permanent residence. Immigrants who have resided in Canada for a number of years frequently claim Canada as their last permanent residence. In such cases the steamship inspector at the port of arrival should ascertain the facts and correct the entry if necessary.

Column 11 (*Final destination*).—The answer to this question should show the city or town in the United States to which each alien is destined. The mere intention of remaining permanently or temporarily in the United States does not constitute a person a permanent resident, nor does the fact that he has resided temporarily or for a number of years in the United States constitute him a permanent resident if he has always had the intention of returning to his native country. Aliens who have been naturalized should report the city or town in the United States in which they were naturalized as their final destination, if within the United States. Persons who have resided in the United States and have subsequently gone to some foreign country for a temporary visit should report the United States as their final destination.

Column 12 (*Whether in possession of railroad ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 13 (*By whom was passage paid*).—The entry should show definitely by whom the passage was paid, as "Himself," "Father," "Mother," "Husband," "Wife," "Brother," "Sister," "Friend," "Self and wife," "Self and children," "Father and mother," "Relative," "Steamship company," "Employer," etc. Money brought by the head of a family should not be classified as "Self," but as "Father," "Husband," etc., as the case may be.

Column 14 (*How much money in possession—cash*).—The entry should show the amount of money in the possession of each alien, whether in cash or in the form of bank notes, bills of exchange, or money orders, and if in cash, the exact amount in dollars and cents. Persons who have less than $1 should report the exact amount.

Column 15 (*Whether ever before in the United States, and if so, when and where*).—The entry should show whether each alien has ever been in the United States before, and if so, the year or period of time and place of last visit.

Column 16 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should be Yes or No, according to whether or not the alien has relatives or friends to whom he is going, and should state the name, relationship, and complete address of such relative or friend.

Columns 17 and 18 (*Ever in prison, etc.*).—These questions are self-explanatory and the answers, like all others, should be Yes or No. In the event that any alien answers in the affirmative any of these questions, the fact should be reported to the Department of Commerce and Labor immediately by telegraph, and if such alien has been deported under the provisions of the Immigration Act of 1907 the fact should be reported by mail, with name and complete address.

Column 19 (*Whether a polygamist*).—Polygamists are excluded from admission into the United States, and the fact that any alien is a polygamist should be reported to the Department of Commerce and Labor immediately by telegraph. Should any alien who has been deported as a polygamist under the provisions of the Immigration Act of 1907 subsequently apply for admission, the authority to so land in reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], a surgeon, and [illegible] of the United States Public Health Service, hereby certify that I have this day made a personal examination of each of the aliens named herein, and that [illegible] is [illegible] as to each of them, and

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of the government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, electrical engineer, mechanical engineer, mining engineer, house carpenter, hand carpenter, iron worker, wood turner, etc., and not simply engineer, carpenter, worker, turner, or other general description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer means one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for wages, whether paid by the month or by the year.

Steamship companies are cautioned that these instructions and the questions to be asked thereunder are mandatory, and corrections should be made if necessary. Failure to do so will result in [illegible] being the personal expenses of such aliens.

Column 8 (*Able to read and write*).—This column is to be filled out answering the following question: "Read what language (or if excepted in [illegible] on what ground)?" It does not mean that the passenger can read and write specific words, but that he can read and write some language intelligently. If he can read and write English, the entry should be "Yes." If he cannot read and write any language, the entry should be "No." If he can read and write a language other than English, the entry should be "Yes" and the language should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which the person is a subject, and the entry of each particular race or people should be governed by the classification of races or peoples as given in said list. For instance, a person born in Scotland, of Irish parents, is a member of the Celtic race, and not of the Anglo-Saxon or English race; a person born in Germany, of Polish parents, is a member of the Hebrew race, and not of the Teutonic race; INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person, as for example: Civil engineer, stationary engineer, locomotive engineer, horse breeder, sheet iron worker, iron moulder, wood turner, etc., and not simply as engineer, breeder, worker, turner, etc., which is indefinite and insufficient.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Stewardesses on passenger steamships should be entered as such, and not as cooks.

Column 8 (*Nationality*).—Nationality should be entered according to the country to which the person belongs, as Germany, France, Italy, Russia, Sweden, England, Ireland, Scotland, Mexico, Cuba, Japan, China, India, Turkey, Greece, Spain, Portugal, Belgium, Holland, Switzerland, Austria-Hungary, Roumania, Bulgaria, Servia, Montenegro, Norway, Denmark, etc. Do not enter Hebrew, Polish, Bohemian, Slavonian, Dalmatian, Croatian, Slovak, Finnish, Lithuanian, Wendish, Moravian, Dutch Flemish, Canadian, Scotch, Welsh, Irish, German, or Hebrew as the race or people. Persons born in Asiatic Turkey, Arabia, Persia, Syria, Asia Minor, Palestine, Egypt, Africa, Australia, or other countries not specifically mentioned in the table of races printed on back of this sheet should be entered according to the country in which born. In connection with the following discussions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans, Haitians or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America and Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negroes born in Africa, Cuba, Haiti, or other islands of the West Indies, Central or South America, Europe, Asia, or elsewhere. Any person who is known to be of the African race (Negro) should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether now living in Italy, Switzerland, Australia, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—The last country in which aliens report they have had a permanent residence should be entered. Mere transient visits in another country for business or pleasure, or while en route to the United States, should not be considered as residence in such country. Aliens coming to the United States who have been previously admitted to the United States as permanent residents should state the country in which they have resided since their last admission to the United States.

Column 12 (*Final destination*).—Every alien should be asked to what place he is destined, and the answer entered. Aliens who are not in possession of sufficient money to pay their railroad fare to their destination are frequently detained at ports of entry by the immigrant authorities, and the question is therefore important.

Column 13 (*Whether going to join a relative, and if so, what relative and his name and address*).—All aliens should be asked whether they are going to join relatives in the United States, and if so, what relatives, and their names and addresses. All aliens should be asked whether they have friends in the United States, and if so, what friends, and their names and addresses. The answer should be entered in this column.

Column 14 (*Ever in U. S. before?*).—The answer to this question should show the intended future permanent residence. Aliens coming to the United States should be asked whether they intend to remain permanently or temporarily, and their answers entered accordingly. Aliens coming to the United States should also be asked whether they intend to become citizens of the United States, and their answers entered accordingly.

Column 15 (*Whether in possession of $50 and how paid*).—The answer should be Yes or No, as the case may be.

Column 16 (*Whether ticket reads to destination*).—The answer should be either Yes or No, as the case may be.

Column 17 (*By whom was passage paid*).—The entry should show definitely by whom the passage was paid, as "Self," "Father," "Husband," "Brother," "Friend," "Steamship company," etc.

Column 18 (*Whether in possession of a ticket over a railroad or other line beyond port of arrival*).—The answer should be Yes or No, as the case may be.

Column 19 (*Whether ever before in the U. S., when and where*).—The entry should show whether the alien has been in the United States before, and if so, when and where. The entry should not be confined to the last previous visit.

Column 20 (*Whether ever in prison or almshouse, etc., and if so, what for*).—The entry should show whether the alien has been in prison, almshouse, asylum, or institution for the care of the insane within the United States, and if so, when, the cause, and for how long.

Column 21 (*Whether a polygamist*).—The answer should be Yes or No, as the case may be.

Column 22 (*Whether under contract, etc., and if so, what kind*).—The answer should be Yes or No, as the case may be. If Yes, the kind of contract should be stated.

Column 23 (*Whether in the U. S. or coming for the purpose of joining a husband, father, or other relative, and if so, what relative and his name and address*).—The answer should be Yes or No, as the case may be. If Yes, the name and address of the relative should be given.

Column 24 (*Condition, mental and physical*).—The answer to this question should be "Sound" unless the alien is known to be or appears to be defective mentally or physically, in which case the defect should be specified.

Column 25 (*Deformity*).—The answer to this question should be "None" unless the alien is known to be or appears to be deformed, in which case the deformity should be specified.

Column 26 (*Height*).—The height of each alien should be stated in feet and inches.

Column 27 (*Complexion*).—The complexion of each alien should be described as light or dark.

Column 28 (*Color of hair and eyes*).—The color of hair and eyes of each alien should be described.

Column 29 (*Marks of identification*).—Any visible scars, marks, or tattooing on the body of any alien should be described.

Column 30 (*Number of pieces of baggage*).—The number of pieces of baggage belonging to each alien should be entered.

Columns 31 to 34.—These questions are self-explanatory and the answers must be those given by the alien. The answers to these questions, however, do not affect the admissibility of the alien, and are asked merely for statistical purposes. Sometimes a lawyer or other person will endeavor to answer these questions for the alien, but the alien himself should be required to answer them, unless he is unable to understand the questions or to speak English, in which case the immigrant inspector should be informed of the fact, in order that a person may be obtained to act as interpreter.

Note.—Children of parents lawfully admitted will be admitted without question. Whether a person who belongs to one of the excluded classes is to be admitted to the United States as the wife or child of a person lawfully admitted to the United States or to a person who has the right to admission as a returning resident may be determined by the immigration officer at the port of arrival. Such person may be required to furnish, at the discretion of the immigration officer, any additional information deemed necessary to the proper determination of his admissibility to the United States. Any alien who is admitted to the United States may be deported by the Secretary of Labor at any time within three years after entry if he was at the time of entry a member of one of the classes excluded by law, or by any law or treaty in force at the time of entry was excludable from admission to the United States, or was admitted at any place other than a port of entry designated by the Secretary of Labor.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER, of the [illegible], from [illegible], do solemnly swear (or affirm) that the accompanying List or Manifest of the [illegible] aliens now taken on board this vessel at the port of [illegible] for transportation to the United States, contains the correct names of all such aliens, and of the places from which they have severally come to this port, and their final destinations so far as known to me; and that I will not, to the best of my knowledge or belief, conceal or withhold any information which may be required of me touching the said aliens under the provisions of the Immigration Act of February 20, 1907, or any rules made in pursuance thereof; and that I have caused a careful examination to be made of said aliens by the surgeon duly appointed for that purpose, and that, except as stated in the certificate of said surgeon hereto annexed, no one of said aliens appears to be afflicted with any of the diseases or mental or physical defects which would be ground for excluding him from admission into the United States under the said Act; and that I have caused a careful inspection to be made of the personal effects of said aliens, and that no article will be landed from this vessel by any of said aliens before the same has been submitted to the inspection of the proper officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien above 15 years of age, whether laborer, servant, engineer, farmer, merchant, or other; manufacturer, glass polisher, glass presser, tinsmith, bricklayer, wood turner, etc., and not simply laborer, servant, polisher, maker, turner, or dealer. A child should be entered as [illegible].

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer means one who operates a farm either for himself or for others.

A farm laborer means one who works on a farm for wages or other compensation.

Steamship companies should instruct their agents that the correct one should be made, if necessary, by interlineation in case a printed form contains the incorrect statement.

Column 8 (*Nationality*).—This column should be completed by entering the name of the country to which each alien belongs, as "Russia," "Sweden," "France," "England," "Germany," etc. In answering this question the language or dialect spoken should not be taken as a criterion of nationality. Thus a native of Austria who speaks the Bohemian language should be entered as a native of Austria, and not of Bohemia, unless he declares himself a native of the latter country. Persons born in the British Provinces of North America should be described as natives of Canada, Newfoundland, etc., as the case may be, and not as natives of Great Britain, unless they declare themselves natives of England, Scotland, etc. Citizens of the various States of Central and South America should be described as natives of the country of their birth, and not as natives of Spain.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of the sheet. The entry should show the race to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a person is a subject, citizen, or native. For instance, natives of Ireland, England, Scotland, Germany, France, Hungary, Bohemia, Austria, Italy, Spain, Mexico, Cuba, Canada, Turkey, China, Japan, and other countries may belong to the Celtic, Anglo-Saxon, Teutonic, Magyar, Slavonic, Latin, Spanish-American, Mongolian, Hebrew, or other races or peoples. Each person should be reported as belonging to the race or people with which he or she is most closely connected, and not necessarily the race of the country of birth. Thus, a native of Scotland may belong to the Celtic race, or he may belong to the Anglo-Saxon people, according to the history of his family. A native of Germany may belong to the Hebrew race, or he may belong to the Teutonic people, according to the history of his family. A native of England may belong to the Celtic race, or he may belong to the Anglo-Saxon people, according to the history of his family. A native of Ireland may belong to the Celtic race, or he may belong to the Anglo-Saxon people, according to the history of his family. A native of Canada may belong to the Celtic race, or he may belong to the Anglo-Saxon people, according to the history of his family. A native of Mexico may belong to the Spanish-American race, or he may belong to the Indian race, according to the history of his family. A native of Cuba may belong to the Spanish-American race, or he may belong to the African race, according to the history of his family. A native of Turkey may belong to the Turkish race, or he may belong to the Armenian race, according to the history of his family. A native of China may belong to the Mongolian race, or he may belong to the Chinese race, according to the history of his family. A native of Japan may belong to the Mongolian race, or he may belong to the Japanese race, according to the history of his family. A native of Hungary may belong to the Magyar race, or he may belong to the Slavonic race, according to the history of his family. A native of Bohemia may belong to the Slavonic race, or he may belong to the Teutonic race, according to the history of his family. A native of Austria may belong to the Teutonic race, or he may belong to the Slavonic race, according to the history of his family. A native of Italy may belong to the Latin race, or he may belong to the Teutonic race, according to the history of his family. A native of Spain may belong to the Spanish-American race, or he may belong to the Latin race, according to the history of his family. A native of Mexico may belong to the Spanish-American race, or he may belong to the Indian race, according to the history of his family. A native of Cuba may belong to the Spanish-American race, or he may belong to the African race, according to the history of his family. A native of Turkey may belong to the Turkish race, or he may belong to the Armenian race, according to the history of his family. A native of China may belong to the Mongolian race, or he may belong to the Chinese race, according to the history of his family. A native of Japan may belong to the Mongolian race, or he may belong to the Japanese race, according to the history of his family.

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro race of Africa, and to the descendants of the African Negroes in the West Indies, Central America, South America, and the United States. All persons of African Negro descent should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether born in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether born in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Aliens frequently have a home in a foreign country where they have lived for a year or more, but to which they do not intend to return. The last country in which an alien has had a permanent residence is to be stated for statistical purposes. It should be the country and city or town of last permanent residence. If no residence for a year or more can be properly claimed in any country, the last permanent residence is to be stated as "None." Persons who have been in the United States and have returned to their native country after a visit of less than one year should be returned as residents of the United States.

Column 12 (*Name and address of relative or friend in the country whence alien came*).—The entry should give name and address of such relative. If no such relative resides in the country whence alien came, the fact should be stated.

Column 13 (*Final destination*).—The answer to the question should show the intended future permanent residence. A person who intends to remain one year or more in the United States should be returned as intending to remain permanently. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States, or the country to which destined if not to the United States.

Column 14 (*Whether in possession of $50 and whether going to join relative or friend, and if so, what relative or friend, and his name and address*).—The answer should be either Yes (ticket) or No (ticket).

Column 15 (*How much money he has paid for himself*).—The entry should show definitely how much passage was paid, stating whether by himself or by other person, friend, relative, employer, etc.

Column 16 (*Whether a passport was received from the country to which he belongs, and where issued*).—The entry should show whether the alien has a passport, and if so, where and when issued. The entries should show whether the passport was issued by the United States Government, or by the government of some foreign country, and if so, by what country, and where and when issued.

Column 17 (*Whether ever before in the United States, and if so, when and where, and whether he has a friend or relative there, and if so, what relative or friend, and his name and address*).—The answer should be either Yes or No, as the case may be, and if Yes, when and where. The entries should show whether the alien has been in the United States before, and if so, when and where, and whether he has a friend or relative there, and if so, what relative or friend, and his name and address.

Columns 18 to 21 (*Height, complexion, color of hair, color of eyes*).—These questions are self-explanatory, and the answers should be entered accordingly. The entries should show the height of the alien in feet and inches, the complexion as light or dark, the color of hair as light or dark, and the color of eyes as light or dark. The entries should show the height of the alien in feet and inches, the complexion as light or dark, the color of hair as light or dark, and the color of eyes as light or dark.

Column 22 (*Marks of identification*).—The entries should show any marks of identification on the person of the alien, such as scars, moles, or other marks. The entries should show any marks of identification on the person of the alien, such as scars, moles, or other marks.

Note—Every alien must be listed. When no person is in charge of a family or other group, each member must have the name and address of a relative or friend in the United States to whom he is going written after his name. Every alien must be asked the questions required by law, and the answers recorded. Special attention must be given to the examination of aliens as to their admissibility under the contract labor laws, the anarchistic and other classes excluded by law, and to the proper certification of the same. Any alien who is subject to special inquiry under the provisions of section 3 of the immigration act of 1917 must be detained for such inquiry. Every question must be answered before the next question is asked, and the answers recorded in the order in which they are required by the blank. Any physical, mental, or other defect noted must be recorded.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER, of the [illegible] from [illegible], do solemnly swear that I have caused to be taken the names of all persons on board the vessel [illegible] at the time of sailing, and a personal and careful examination of each and all of the aliens named in the foregoing Lists or Manifests, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged 14 years or over, such as laborer, clerk, farmer, engineer, housewife, minister, lawyer, physician, boy, girl, etc. Such terms as "manufacturer," "capitalist," "gentleman," "lady," etc., are not sufficiently descriptive. Persons formerly engaged in gainful occupations, but incapacitated from following their usual occupations, should be returned as laborers, with the occupation followed before incapacity ensued, as, for example, "formerly farmer," "formerly merchant," etc.

A distinction should be made between actual farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages or a share of the crops.

Stenographers and typewriters should be further described as to the nature of their work, whether general, law, commercial, etc., and the character of work of clerks should be made sufficiently definite to indicate the nature of their duties, whether shipping clerk, bank clerk, etc.

Column 8 (*Can read*).—The answer should be "Yes" or "No" as to whether the person can or can not read.

Column 9 (*Where born*).—Give the country in which birth occurred. Do not use the terms "Russia," "Austria," "Austria-Hungary," "Great Britain," "Asiatic Turkey," or "European Turkey," unless the birthplace is actually so returned. Specify whether England, Scotland, Wales, Ireland, Germany, Bohemia, Poland, Dalmatia, Croatia, Slavonia, Herzegovina, Bosnia, Finland, Lapland, Asiatic Turkey, European Turkey, Arabia, Persia, Afghanistan, Hindustan, Palestine, Syria, Arabia, Siberia, etc., as the case may be. Do not return as "Asia," "Africa," "Europe," "West Indies," "South America," "Central America," or "North America." Be sure to give the name of the country, colony, province, or island.

Column 10 (*Nationality*).—Quite frequently the nationality of a people is not the same as the country in which they were born. Therefore, the nationality should be stated in all cases. Thus, a native of Germany may be a Hebrew, a native of Austria may be a Bohemian, a native of Turkey may be a Greek, a native of Russia may be a Finn, a native of Great Britain may be a Welshman, a native of Canada may be a Canadian, a native of Mexico may be a Mexican, a native of Cuba may be a Cuban, a native of Haiti may be a Haitian, a native of Santo Domingo may be a Santo Domingan, a native of Central America may be a Central American, a native of Chile may be a Chilean, a native of Peru may be a Peruvian, a native of Brazil may be a Brazilian, a native of Argentina may be an Argentinian, a native of Colombia may be a Colombian, a native of Venezuela may be a Venezuelan, a native of Asiatic Turkey may be a Syrian, Armenian, Arabian, Persian, Afghan, Hindu, Palestinian, etc., as the case may be, a native of Africa may be a Negro, Abyssinian, Egyptian, Arabian, Moorish, etc., as the case may be, a native of Australia may be an Australian, a native of New Zealand may be a New Zealander, a native of Scotland may be a Scotch, a native of Wales may be a Welsh, a native of Ireland may be an Irish, a native of England may be an English, a native of Germany may be a German, a native of Austria may be an Austrian, a native of Hungary may be a Hungarian, a native of Bohemia may be a Bohemian, a native of Russia may be a Russian, a native of Finland may be a Finn, a native of Sweden may be a Swede, a native of Norway may be a Norwegian, a native of Denmark may be a Dane, a native of Holland may be a Dutch, a native of Belgium may be a Belgian, a native of France may be a French, a native of Spain may be a Spanish, a native of Portugal may be a Portuguese, a native of Italy may be an Italian, a native of Greece may be a Greek, a native of Switzerland may be a Swiss, a native of Japan may be a Japanese, a native of China may be a Chinese, a native of Turkey may be a Turk, a native of Africa may be a Negro

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I MASTER, of the [illegible], from [illegible], do solemnly swear that the [illegible] is the vessel named in the foregoing Lists or Manifests; that I have [illegible] in command, and that from the report of said [illegible] and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade or profession of each alien, as laborer, farmer, merchant, clerk, tailor, seamstress, dressmaker, servant, painter, engineer, shoemaker, weaver, baker, barber, cook, [illegible], wood turner, etc., and not simply as "laborer," "worker," "servant," "student," or "none."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for home or for others.

A farm laborer is one who works on a farm for wages or salary.

Separate entry must be made if any of the persons described is a cripple, and the particular defect should be noted, as "Blind," "Deaf and dumb," "Lame," "One hand missing," "One arm missing," "One leg missing," "Hunchback," etc. In the absence of any such entry it will be considered that the person described is not defective in any of the particulars mentioned.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special care must be used to insure a distinction between races and those aliens who belong to the Hebrew subdivision of the Semitic race. The immigration statutes and records of the Department of Labor require a distinction to be made between Hebrews and members of other races or peoples. The Hebrew race includes all persons of Hebrew or Jewish religion, and also includes persons of the Hebrew race who have severed their connection with the Hebrew religion, or who have become converted to the Christian religion. Aboriginal Natives of North America (Indians) are not to be considered as belonging to the Hebrew race, even though they may have become converted to the Hebrew religion. Persons of the Hebrew race may be born in Palestine, Arabia, Persia, Germany, Russia, Poland, England, France, Spain, Italy, the United States, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people and not to race.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban, Haitian or Negroes.

SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

MEXICAN

"Mexican" refers to the Mexican people, and not to race. Persons born in Mexico of West Indian, Negro or other racial descent are not to be considered as Mexicans, but as natives of the countries in which they were born, and as Negroes, West Indians, etc., as the case may be.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia and Emilia, and their descendants, will be considered natives of Northern Italy. Natives of any other country should be classed as "Italian (South)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Parma, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia, and their descendants, should be classed as "Italian (South)." Most of these people speak a Gallic dialect of the Italian language.

Columns 11 and 12 (*Last residence or birthplace*).—Please remember that the last question (No. 12) requires the name of the country of birth, not of residence. The answer should be either Yes (ticket to destination) or No. If the answer is Yes, the entry should show before [illegible] to which persons who paid [illegible] belong. The entry should show before [illegible] to which persons who paid [illegible] belong. The entry should show before [illegible] to which persons who paid [illegible] belong. The

I, [illegible], master of the s. s. "[illegible]" [illegible], from [illegible], do *[illegible]* investigation, I believe that no alien on board said steamer has been concealed from examination by the United States Immigrant Inspector at the port of departure or at any other place, in violation of section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status*).—Steamship lines should make no entries in this column. The space is for use by Government officials only.

Column 4. [illegible] this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. [illegible] either M (male) or F (female).

Column 6. *Married or single?* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Do not enter merely "laborer," "clerk," "manufacturer," "gentleman," "servant," "student," or "none." SEC. 36. That no alien arrival of any vessel in the United States from any foreign port shall be allowed to land, by the master, agent, owner, or consignee of such vessel, or by any other person, or by the immigrant himself, except upon a permit given by the immigrant inspector in charge at the port of arrival, and such permit shall not be granted by the said inspector in charge until the master, agent, owner, or consignee of such vessel shall have delivered to such inspector a list or manifest of all such immigrants, in the form prescribed by the Commissioner General of Immigration, with such additional information as may be required by the said Commissioner General of Immigration, or by the Secretary of Labor, and shall have caused the said immigrants to appear before such inspector for examination, and shall have obtained from such inspector a permit stating that such immigrants have been duly examined according to law. Before granting such permit the inspector in charge shall require the master, agent, owner, or consignee of the vessel to sign a declaration that the list or manifest of alien passengers is true in every particular, so far as known or believed by him, and that full information has been furnished as to every such alien concerning which inquiry is required to be made. Any master, agent, owner, or consignee who shall refuse to comply with the provisions of this section, or to furnish the information required by the said list or manifest, or any part thereof, or who shall land or permit to be landed any alien before the inspection of such alien has been completed, or before a permit for his landing has been granted, shall be guilty of a misdemeanor, and shall be punished by a fine not exceeding $1,000 for each alien with respect to whom such violation occurs. Until such list or manifest and declaration have been delivered, and the inspection and the granting of the permit have been completed, no master, agent, owner, or consignee shall, without the consent of the immigrant inspector in charge, allow any passenger to leave the vessel or the vicinity of the dock at which it has landed, except in case of emergency or for the saving of life or property; and in such case the master, agent, owner, or consignee shall report immediately to the immigrant inspector in charge the reasons for and circumstances of the departure of any passenger. Upon the refusal of any master, agent, owner, or consignee of any vessel to deliver a list or manifest, or any part thereof, when demanded, or the refusal of any master to allow the inspection of his vessel, or any part thereof, or any person or thing therein, by any immigrant inspector, or the refusal of any master, agent, owner, or consignee to deliver to any such inspector a further list containing the names of all aliens concerning whom information is required and who arrived at the time of the arrival of such vessel who with due diligence could be found at the time of the delivery of such further list, or the refusal of any master, agent, owner, or consignee to furnish any information required by the said lists or manifests concerning any such alien, or the refusal of any master, agent, owner, or consignee to report such omission or refusal, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of $10 for each alien concerning whom correct lists are not delivered or information not furnished as herein required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, or if the master refuses to pay the same when lawfully demanded; and such fine may be remitted or refunded: Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

That any person who shall bring into the United States any alien not duly admitted by an immigrant inspector or not lawfully entitled to enter, or who shall conceal, harbor, or protect from discovery any such alien, shall be deemed guilty of a misdemeanor, and shall be punished by a fine not exceeding two thousand dollars or by imprisonment not exceeding two years, or both such fine and imprisonment, in the discretion of the court, and shall be deported as provided in this act. Do not use such terms as Russian Hebrew or Polish Hebrew, but use the term Hebrew and the country from which they came. Do not use the word Canadian, but use English, Scotch, French, German, or other, as the case may be. Do not use the word American. Care should be taken to distinguish between Irish and English, Scotch and English, Welsh and English, Flemish and French, Bohemian (Czech) and German, Slovak and Hungarian, Polish and German, Polish and Russian, Dalmatian and Italian, Croatian and Hungarian, Slovenian and Hungarian, Roumanian and Hungarian, Lithuanian and Russian, Finnish and Russian, Swedish and Norwegian, Danish and Norwegian, Icelandic and Danish, Swiss and German, Scandinavian and Swedish, Mexican and Spanish, Cuban and Spanish, West Indian and Spanish, Japanese and Chinese, Turkish and Armenian, Syrian and Arabian, Hindu and East Indian, Indian (from India) and Indian (from the United States), Negro and Pacific Islander, Ethiopian and South African (Native), Australian and New Zealander, or other British, French, German, or other citizenship, as the case may be.

A stateless person should be made by each former citizenship, regardless of the amount of money he may have.

I, M. FLYNN, MASTER of the SEYDLITZ, from BREMEN, do solemnly, sincerely, and truly depose and say, that I am the MASTER of the said vessel; that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 21 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of Government officers.

Column 4. The ages of infants under one year should be expressed in years or months, the latter as [illegible]

Column 5. Write "male" or "female" after each name.

Column 6. Write out in full whether single, married, widowed, or divorced.

Column 7. The answer should be "Yes" or "No."

Column 8. The answer should describe as accurately as possible the occupation of each alien, if any. If a child has no occupation, write "none." If a person has been employed at various occupations, that at which he has mainly supported himself or herself during the past year should be given. Such terms as "laborer," "servant," "clerk," "gentleman," "lady," "student," without specifying the character of work, are indefinite and unsatisfactory. I, M. Sworn to before me this [illegible] *day of* [illegible] *, 19*[illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The entry in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade, or profession) of each alien 10 years of age and over. Children under 10 years of age usually have no occupation, persons dependent upon others for support, such as housewives, housework, etc., should be returned as "none." Laborers, should not be used except in connection with the occupation of persons who work for wages and who do not follow any trade or profession. Such persons should be described as "farm laborers," "coal miners," "railroad laborers," "factory laborers," "general laborers," or "laborers" (specifying the character of work last performed, as "engine wipers," "helpers," "roustabouts," etc.).

A distinction should be made between farmers and farm laborers, regardless of the amount of money owned, as follows:

A farmer means one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for wages or salary.

Stewards, cooks, waiters, etc., should be described as such, and not as employees of steamship companies.

Column 8 (*Able to read or not*).—The answer should be either Yes or No. If the alien can read any language, the answer should be Yes. In answering this question, "Read what language (or if can't read) is he able to speak?" may be asked. If the alien can read and claims exemption from the reading requirement, the ground for such exemption should be stated.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Consult the *Races or peoples* list of races printed on back of the sheet. The entry should show the race or people to which each alien belongs.

Special care should be used in the distinction between races and the country of which a person is a citizen or subject. Thus, natives of Ireland, Scotland, and Wales, while subjects of the King of Great Britain, are Irish, Scotch, and Welsh, respectively, and not English. Natives of Germany may be Germans, Poles, Bohemians (Czechs), Hebrews, etc. Natives of Austria-Hungary may be Austrians, Hungarians (Magyars), Germans, Croatians, Slovenians, Poles, Ruthenians (Russniaks), Bohemians (Czechs), Slovaks, Hebrews, etc. Natives of Turkey in Asia may be Armenians, Turks, Arabs, Kurds, Hebrews, etc. Natives of Russia may be Russians, Finns, Poles, Hebrews, Lithuanians, Germans, etc. Natives of Norway may be Norwegians, Lapps, Hebrews, etc. Natives of Sweden may be Swedes, Lapps, Finns, Hebrews, etc. Natives of Switzerland may be Germans, French, Italians, Hebrews, etc. Natives of Spain may be Spaniards, Basques, Catalans, Gallegans, Hebrews, etc. Natives of Portugal may be Portuguese, Hebrews, etc. Natives of Greece may be Greeks, Turks, Albanians, Hebrews, etc. Natives of Holland may be Hollanders, Frisians, Hebrews, etc. Natives of Belgium may be Belgians, Flemish, Walloons, Hebrews, etc. Natives of Luxemburg may be Luxemburgers, Germans, Hebrews, etc. Natives of Denmark may be Danes, Hebrews, etc. Natives of Iceland may be Icelanders, Hebrews, etc. Natives of Africa may be Negroes, Hebrews, Arabs, Kabyles, Moors, etc. Natives of Canada may be Canadians, English, Irish, Scotch, French, Hebrews, etc. Natives of Mexico may be Mexicans, Indians, Negroes, Spaniards, Hebrews, etc. Natives of Cuba may be Cubans, Negroes, Spaniards, Hebrews, etc. Natives of Haiti may be Haitians, Negroes, Hebrews, etc. Natives of Santo Domingo may be Santo Domingans, Negroes, Hebrews, etc. Natives of Central America may be Guatemalans, Hondurans, Salvadorans, Nicaraguans, Costa Ricans, Panamans, Indians, Negroes, Hebrews, etc. Natives of South America may be Colombians, Venezuelans, Ecuadorians, Peruvians, Bolivians, Chilians, Argentinians, Uruguayans, Paraguayans, Brazilians, Indians, Negroes, Hebrews, etc. Natives of Asia may be Chinese, Japanese, Hindus, Hebrews, Arabs, Turks, etc. Natives of Australia may be Australians, Hebrews, etc. Natives of New Zealand may be New Zealanders, Hebrews, etc. Natives of the Philippine Islands may be Filipinos, Negritos, Moros, Visayans, Tagalogs, Igorrotes, Hebrews, etc. Natives of the Hawaiian Islands may be Hawaiians, Chinese, Japanese, Portuguese, Hebrews, etc. Natives of Samoa may be Samoans, Hebrews, etc. Natives of Porto Rico may be Porto Ricans, Negroes, Spaniards, Hebrews, etc. Natives of the Virgin Islands may be Negroes, Danes, Hebrews, etc. Natives of Guam may be Guamanians, Hebrews, etc. Natives of Africa may be Negroes, Hebrews, Arabs, Kabyles, Moors, etc. In connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, Negroes excepted.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negroes of the African race. Natives of the West Indies, Central America, South America, Mexico, and other countries should not be described as natives of Africa.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardia, Venezia, and Emilia) and their descendants, whether residing in Italy, or elsewhere (even Austria-Hungary), should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Toscana, the Marche, Umbria, Lazio, the Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)." Note—Federal [illegible] Whether a person shall be admitted to the United States or shall be deported under the law is solely determined by the immigration officials and final appeal from their decision rests only with the Secretary of Labor. Any alien who comes to the United States by means of a fraudulent document or without a proper immigration visa may be excluded from admission or deported, unless he shall establish to the satisfaction of the proper immigration officials that he did not know, and could not with reasonable diligence have ascertained, that the document was fraudulent or not duly issued. A mere showing that the alien secured the document from a consular officer does not suffice to establish that he did not know and could not have ascertained that it was fraudulent or not duly issued.

I, [illegible], master of the S E Y D L I T Z, from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifests of Aliens, 1 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The entry in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow or widower), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien person, as for example, Clerk, farmer, stock raiser, engineer, laborer, mechanic, merchant, painter, physician, servant, student, tailor, wood turner, etc., and not simply "laborer," "servant," "student," or "mechanic" unless no further description can be given.

A distinction should be made between farmers and farm laborers, regardless of the amounts of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm, but does not operate it.

Stewards or other members of the crew are not to be entered as seamen, and cooks should be made to describe themselves as cooks and not as seamen.

Column 8 (*Nationality*).—The answer should be entered in terms of nationality and not in terms of race. Reference should be had to the printed list of races on the reverse of the manifest sheet, and the race or people to which each alien belongs should be selected from that list. If none in the list is applicable, the alien should be described as belonging to the race or people which predominates in the country of which he is a citizen or subject.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in that list.

Special attention should be paid to the distinction between race and the country of which the person is a subject or citizen. For instance, a native of Ireland, Scotland, or Wales should be entered as Irish, Scotch, or Welsh, respectively, under "Race or people," no matter what may be the nationality of the person as entered in column 9. Persons of these races frequently describe themselves as "British," but this is not sufficiently definite. Natives of Germany, Austria, Hungary, Bohemia, Switzerland, Holland, Belgium, Sweden, Norway, Russia, Finland, Turkey, Greece, Syria, India, Mexico, Cuba, Japan, China, and all countries in Central and South America, should be described according to the race or people which predominates in the country of which they are citizens or subjects, unless they belong to the Hebrew race, in which case they should be so described. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come directly from Africa to the United States or to the West Indies, Central or South America, Europe, or Asia. No alien born in Cuba of the African Negro should be described under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, no matter residing, in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that part (and south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata (Potenza), and Calabria (Reggio), and their descendants, should be classed as "Italian (south)." Most of these people speak a Latin dialect of the Italian language.

Column 11 (*Last permanent residence*).—Aliens returning to the United States after a temporary absence should not be entered as coming from the country in which they have been living during such absence, but from the country in which they have their permanent residence. Residence in the United States can be established only by the intention of the alien to remain indefinitely in the United States, as shown by the circumstances in each case, such as the possession of property, employment in a permanent position, or the presence of wife and children in the United States. Temporary residence, no matter how long continued, will not suffice to establish residence in the United States, nor will the intention to become a citizen of the United States unless accompanied by actual residence in the United States.

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The answer should show the name and address of such relative. If no such relative is living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. Any intermediate stopping place should be disregarded. The entry should indicate future permanent residence, if within the United States, by the name of the city, town, or village, and the State. If intended future permanent residence is not within the United States, the entry should show the final destination.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as "Self," "Father," "Husband," "Mother," "Wife," "Friend," "Steamship company," etc.

Column 16 (*Whether in possession of $50 and if less how much*).—The answer should be "Yes" or "No," as the case may be, and in case the alien has less than $50 the amount should be stated. Money in the form of drafts, checks, letters of credit, or express orders should not be considered as money, but only money in the form of actual cash. Any amount of money in excess of $50 is sufficient, no matter what the source from which it was obtained.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The answer should show whether or not the alien has ever been in the United States, and if so, when and where. The answer should be specific as to the time, giving the year, or period of years, and place, as "Yes, New York, 1907," or "Yes, 1903–1907, Philadelphia."

Column 18 (*Whether going to join a relative or friend, and if so, who, where, and how far*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—These questions are self-explanatory, and the answers, like all others on the sheet, are to be given by the immigrant himself. The answers to questions 27 and 28, however, in answering questions 29 to 31, have been answered, answers are to be given by the master, agent, or owner of the vessel, who is to supply the information to the alien inspector, the authority for such reappointment should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* The answer in this column should be expressed in years or months, the latter applying entirely to those under 1 year of age.

Column 5. *Sex.* The entry should be M for either M. (male) or F. (female).

Column 6 (*Married or single*). The answer should be M. (married), S. (single), Wd. (widowed), or D. (divorced).

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien, if any, as far as applicable. Call electricians, machinists, engineers, farmers, mechanics, miners, painters, laborers, blacksmiths, carpenters, tailors, tailoresses, seamstresses, merchants, clerks, etc., and not simply "laborer," "mechanic," "servant," or "engineer," "agent," "clerk," or "manufacturer."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who does chores on a farm or performs any other farm labor.

Steamship companies should make their entries from the ticket agents' records, and corrections should be made, if necessary, by the surgeon's entry, even if only the words "as per ticket" are used.

Column 8. *Able to read and write.* Unless an alien can read and write the language or dialect in which he is required to write the answer to question 8 he is to be reported as unable to read and write. If able to read but unable to write, the fact that he can read should be stated. If able to write but unable to read, the fact that he can write should be stated. If able to read and write, the fact should be stated. If the alien is exempted from the reading or writing test, the ground for such exemption should be stated.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is directed to the distinction between race and the country of which a person is a subject. The entry of last permanent residence and country of birth, and nationality should be carefully noted by inspectors in all cases in this regard. For example, a native, residing under the laws of Great Britain, of the province of Canada, is a British subject, although speaking under the broad designation of race the French language and, similarly, a native of Scotland, speaking under the broad designation of race the English language, is a subject of Great Britain, and the entry in each case should be "British." Another example is that of a native of Germany, who is a subject of the German Empire, although he may be of the Hebrew race. In this connection the following descriptions should be observed:

CUBAN

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro who does not come from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Aliens arriving with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy—i. e., the compartments of Piedmont, Lombardy, Venetia, and Liguria, and those districts which, although politically Italian, are contiguous to Switzerland, Austria-Hungary, or San Marino, and should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po—i. e., compartments of Umbria, Tuscany, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia—and their descendants, should be classed as "Italian (south)."

Column 11. Can read (yes or no). Answer should be yes or no.

Column 12. Can write (yes or no). Answer should be yes or no.

Column 13. Can both read and write the language or dialect used by person in question (yes or no). The answer should be yes or no.

Column 14. Name and address of person in country whence alien came. The answer should be name and address of such relative. If no such relative living, give name and address of friend.

Column 15. *Final destination.* The answer to this question should show the intended future permanent residence. An answer "I reside" or "I am employed" is insufficient and misleading. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 16. If having a ticket to such final destination. The answer should be either Yes (ticket) or No (no ticket).

Column 17. By whom was passage paid. The entry should show definitely by whom passage was paid, as "self," "self, father," "self, brother," or other relative, "friend," "steamship company," etc.

Column 18. If in possession of $50 and over, how much. The answer should be given in each case in dollars and cents, as "$50," "$60," "$100," etc. Money brought by the head of a family or other person for the use of the family should be included in the amount stated.

Column 19. If ever before in the United States, when and where. The entries should show whether or not the person has been in the United States before, and if so, the year or period of years and place, as "1894, New York," "Previously," etc.

Column 20. Whether going to join a relative or friend, and if so, what relative or friend. The answer should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 24. These questions are self-explanatory and the answers like all others on the sheet, are subject to revision by inspection officers in the exercise of their duty.

Question 25, if alien has been deported for whom special warrant of the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Sworn to before me this [redacted] day of November 1903, 19

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The age, if in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien over 15 years of age, whether laborer, servant, farmer, merchant, tailor, mason, carpenter, blacksmith, butcher, clerk, etc., and not simply "laborer," "servant," "farmer," "merchant," "tailor," "mason," "carpenter," "blacksmith," "butcher," "clerk," etc., as the case may be, nor "driver," "engineer," "fireman," "sailor," "weaver," "turner," "miner," "operative," "dressmaker," "housekeeper," "housework," "at home," "none," or "student," as the case may be, unless the person has no occupation.

A distinction should be made between farmer and farm laborer, regardless of the amount of money shown, each being entered as such.

A farmer is a person who operates a farm, either for himself or for others.

A farm laborer is a person who works on a farm for the man who owns it.

A clear choice should be made between the occupations and entry should be made of that one of the two which the alien usually follows.

Persons of no occupation, such as children, should be entered as such.

Column 8 (*Nationality*).—Each person should be presumed to be a citizen of the country in which he last had a home, and the name of that country should be entered in this column. Thus, a person who has resided in Germany for many years should be entered as a native of Germany, although he may have been born in Poland. Persons who have resided in the United States should be entered as natives of the country from which they last came to the United States. Care should be taken to distinguish between Scotch and English, Welsh and English, Canadian (English) and Canadian (French), Irish (Ireland) and Irish (Scotch), etc. Under no circumstances will the entry "British," "English," "Scotch," "Welsh," "Canadian," "Irish," "Hebrew," "Russian," "Turkish," "Polish," "Bohemian," "Moravian," "Slovak," "Slavonian," "Croatian," "Dalmatian," "Bosnian," "Herzegovinian," "Finnish," "Lapp," "Roumanian," "Syrian," "Armenian," "Corean," "Chinese," "Japanese," "Hindu," "East Indian," "Mexican," "West Indian," "Cuban," "Porto Rican," "South American," "Central American," "Negro," "Colored," or "Black" be accepted. If any of these, or similar indefinite designations, be made, the agent will be required to specify the country to which the alien belongs. Persons born in Hungary, Austria, Germany, Russia, Sweden, Norway, Turkey, Greece, Italy, Spain, Portugal, China, Japan, Mexico, Cuba, Porto Rico, Central America, South America, or any other country, should be entered as natives of such country. In connection with the following the rule above stated is generally observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, Haitian or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America, not Canadian or Negro.

AFRICAN (NEGRO).

"African (Negro)" refers to the Negroes, whether born in Africa or in the islands of the West Indies, Central or South America, Europe, or Africa. Any person with any trace of blood of the African Negro should be mentioned under this head.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and of those who, although born in other countries, are descended from parents who emigrated from these compartments of Italy should be classed as "Italian (south)." Most of these people speak a Tuscan dialect of the Italian language.

Column 9 (*Last permanent residence*).—All persons should be recorded from permanent residence. An intended residence of one year in the United States should not be recorded as permanent residence, nor should the intended future permanent residence of a person in the United States be recorded as a foreign residence.

Column 10 (*Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address*).—The answer should be either Yes or No.

Column 11 (*Ever in prison, almshouse, asylum, or hospital; what and when*).—The answer should be either Yes or No.

Column 12 (*Final destination*).—The entry should show the city, town, or village in the United States to which the alien is destined, if known.

Column 13 (*Whether in possession of $50 and how paid*).—The entry should show definitely by whom passage was paid, whether by the alien himself, by relatives or friends (naming them and their relationship, if any, to the alien), by a society, or by the State. Any statement of money in possession of the alien should be carefully verified. Where the amount is $50 or more, the fact need not be stated, but the letter "M" may be entered. Where the amount is less than $50, the exact amount should be stated. Where no money is had, the fact should be stated.

Column 14 (*Whether ticketed to destination*).—The answer should be either Yes or No.

Column 15 (*Whether in possession of railroad or steamship ticket, and if so, what company issued it*).—The entry should show whether the alien has a railroad ticket or a steamship ticket, and, if so, what railroad or steamship company issued it.

Column 16 (*Whether coming by contract, directly or indirectly, and if so, what is the nature of such contract, and by whom was it made*).—Under this heading should be entered the question whether the alien has been induced to come to the United States by any person, company, or corporation in any way interested in his coming, or by any agent, friend, or relative who has paid his passage or given him a ticket or money to come, or by any prospective employer. If the answer to any of these questions is in the affirmative, the fact should be stated.

Column 17 (*Whether a member of the following classes, polygamists, anarchists, persons who believe in or advocate the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieve in or are opposed to organized government, or who advocate the assassination of public officials, or who are members of or affiliated with any organization entertaining and teaching such disbelief in or opposition to organized government, or who advocate or teach the unlawful destruction of property*).—The answer should be either Yes or No.

I [redacted] *employed by the said vessel to make a proper and true examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [redacted] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax, if any).—Steamship lines should make no entries in this column. The space is for consular use only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe the occupation as precisely as possible. The common terms, such as laborer, farmer, merchant, clerk, etc., should be avoided. Instead of laborer, the entry should be such as cotton, woolen, or other mill operative, iron worker, miner, stevedore, engineer, boatman, sailor, etc., and not simply laborer. Instead of farmer, the entry should be such as stock raiser, grain raiser, wheat raiser, cotton planter, tobacco planter, etc., and not simply farmer.

A distinction should be made between farmer and farm laborer, regardless of the amount of money shown as in possession.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one employed by others to perform labor on a farm.

Students, regardless of age, should be so described, and entry to that effect should be made if the alien is coming to the United States to attend school.

Column 8 (Can read and write).—The answer to this question must be either "Yes" or "No." Read what he has written. If exempted by the treaty with his country, the fact should be stated in the manifest, as well as the reason for such exemption, whether he can read or write, and the name of the treaty under which admitted. Do not enter "Yes" unless the alien can read and write some language. Illiteracy means inability to read and write any language whatever.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race of the people to which each alien belongs.

Separate lines should be used for each change in race and the number of which citizens or subjects of each race of the nationality named in question 9 are included in the group. For example, if the nationality is "Austro-Hungarian," the entry should be "Bohemian," "Magyar," "Croatian," "Slovak," "Dalmatian," "Slovenian," "Ruthenian," "Polish," "Roumanian," "Serbian," "Montenegrin," "Turkish," "Armenian," or other race, as the case may be. If the nationality is "Turkish," the entry should be "Turkish," "Armenian," "Syrian," "Arabian," "Kurdish," "Greek," "Albanian," "Bulgarian," "Servian," "Montenegrin," or any other country. In this connection the following descriptions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro who does not come from Cuba or the other countries, West Indies, Central or South America, or Africa. Any negro who cannot be classified as one of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Lombardia, Venezia, and Emilia, and those descended from persons born in these districts. Austro-Hungarian citizens coming under this heading should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Parent language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Lucania, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, and Sicily, and those descended from persons born in these districts. Austro-Hungarian citizens coming under this heading should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Parent language.

Column 11 (Last residence).—The answer to this question should be the actual home of the alien, not merely the place from which he last took passage to the United States. If he has been living in a foreign country for a year or more, the name of that country should be given. If he has been living in Canada for a year or more, the name of Canada should be given. If he has been living in Mexico for a year or more, the name of Mexico should be given. If he has been living in Cuba for a year or more, the name of Cuba should be given. If he has been living in Panama for a year or more, the name of Panama should be given. If he has been living in Newfoundland for a year or more, the name of Newfoundland should be given. If he has been living in Europe for a year or more, the name of the European country should be given. If he has been living in Asia for a year or more, the name of the Asiatic country should be given. If he has been living in Africa for a year or more, the name of the African country should be given. If he has been living in Australia for a year or more, the name of Australia should be given. If he has been living in the United States for a year or more, the name of the United States should be given. If he has been living in Alaska for a year or more, the name of Alaska should be given. If he has been living in Hawaii for a year or more, the name of Hawaii should be given. If he has been living in Porto Rico for a year or more, the name of Porto Rico should be given. If he has been living in the Philippine Islands for a year or more, the name of the Philippine Islands should be given. If he has been living in any other country, the name of that country should be given.

Column 12 (Destination).—The answer to this question should show the intended place of permanent residence in the United States, and not merely a temporary visit. The place given should be the actual home of the alien, if either the United States citizen or alien relative lives there.

Column 13 (Whether going to join relative, friend, or other person).—The answer should be either Yes, Ticket or No, Ticket.

Column 14 (Relative or friend).—The entry should show definitely by whom passage was paid, whether by the alien himself, by relative, friend, employer, or other person, giving the name and address of such relative, friend, employer, or other person. If by relative, the relationship should be stated. If by friend, employer, or other person, the nature of the business relationship should be stated. If by himself, the fact should be stated. Money brought to the head-tax station should be entered as "self" unless some one else is known to have furnished it.

Column 15 (Whether ever previously in United States; and if so, when and where).—The entry should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, and how long.

Column 16 (Whether going to join relative, friend, or other person in United States).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and address.

Columns 17 to 21.—These questions are self-explanatory, and the answers "Yes" or "No" in the boxes are to be given by the examining officer. An explanation is required in connection with question 20. If alien has been in the United States before, and later has returned from Canada to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

Separate sheets should be prepared for each port at which passengers embark.

Column 2. Ticket (optional). — Steamship lines should make no entries in this column. The space is left for the convenience of the lines.

Column 4. Age. — Entries in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. Sex. — The entry should be either M (male) or F (female).

Column 6. Married or single. — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. Calling or occupation. — The entry should describe as accurately as possible the occupation that the alien has followed during the past year or since the age of 16 years, whether as laborer, mechanic, farmer, merchant, clerk, or other vocation. Such terms as "laborer," "servant," "clerk," "manufacturer," "gentleman," "lady," "merchant," "farmer," "boy," "girl," "child," "housework," "none," etc., are indefinite and should not be used. Definite terms should be used, such as spinner, weaver, turner, miner, and tailor. Persons formerly engaged in gainful occupations, but incapacitated by age or infirmity from following them, should be returned as laborers, with the occupation followed specified.

A separate line should be made use of for each person, regardless of the amount of money shown.

A farmer is one who cultivates a farm, either for himself or for others.

A laborer is one who performs labor of any kind, as distinguished from skilled labor.

Several persons are frequently returned in the manifests as "clerks," "students," or "laborers," when in fact they are skilled workers in various trades. Boys returned as "students" are frequently found to be apprentices to trades. Such persons should be returned as belonging to the trades they are learning, and not as laborers.

Do not enter merely "Europe," "Asia," "Africa," "England," "Russia," "France," "Germany," or "Austria," but the name of the country, province, or state in which the city, town, or village is situated. If the alien has resided in the United States, the last place of residence in the United States should be given.

Column 10. Destination. — The destination should be stated by the name of the city, town, or village in the United States to which the alien is going.

Column 11. Whether going to join a relative or friend, and if so, what relative or friend, and its name and complete address. — The answer should be "Yes" or "No," and, if "Yes," the name, relationship, and complete address of the relative or friend should be given.

Column 12. Whether in possession of $50 and if less, how much. — The entry should be "Yes" or "No," and, if "Yes," the amount of money possessed should be stated in dollars and cents.

Column 13. Whether ticket reads through to destination. — The answer should be either Yes, ticket reads through, or No, ticket does not read through.

Column 14. Whether the passage paid by himself or herself or by others, and if by others, by whom. — The entry should show distinctly by whom passage was paid, whether by the alien himself or herself, by relatives in the United States, by friends, by charitable societies, by the State, or by whom else.

Column 15. Whether ever before in the United States, and if so, when and where. — The answer should show whether the alien has ever been in the United States before, and, if so, the year or period of each visit and place or places of residence.

Column 16. Whether going to join husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, or niece in the United States, and if so, which relative, and where. — The answer should show whether the alien is going to join a husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, or niece in the United States, and, if so, which relative, and where.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Last Address.* — Steamship line should make no entries in this column. The space is for use of Government officials.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 5. *Sex.* — The entry should be Female or Male.

Column 6. *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should be as accurately as can be the occupation (trade, profession, or other means of support) of each alien, as laborer, servant, merchant, tailor, weaver, clerk, etc., and not simply "gentleman," "married woman," "housework," "at home," or "none."

A child, however young, must have a calling, regardless of the amount of money alleged to be owned.

A farmer who operates a farm, whether he owns it or not, is a farmer.

A person formerly engaged in any calling, but not actually employed at it when application for passage is made, is entered as having no occupation.

Students of all ages must be returned as students, and persons who have retired from business must be returned as such.

Column 8. *Can read?* — Answer Yes or No.

Column 9. *Can write?* — Answer Yes or No.

Column 10. *Can both read and write?* — Answer Yes or No.

Column 11. *What language or dialect?* — Write the name of the language or dialect spoken by each alien, using for this purpose the list of languages and dialects printed on back of the sheet. The entry should be the name of a language or dialect, not of a country.

Column 12. *Race or people.* — Specific races enumerated in the immigration law are to be stated in this column, and the following instructions are issued to supplement that law:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban, or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America and Spanish descent, not Negroes.

[illegible]

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po in northern Italy, i. e., comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and the independent republic of San Marino.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., comprising the provinces of Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, Sardinia, and the independent republic of Andorra.

Column 13. *Nationality.* — The country to which each alien sails should be entered as the nationality, irrespective of race or people. Where a change of nationality has been effected by the creation of a new country, the name of the country of former nationality should be entered.

Column 14. *Last permanent residence.* — The answer should show the principal country of which the alien has been a resident, as distinguished from a country visited as a traveler. If within the United States, the State should be named.

Column 15. *If going to the United States, final destination.* — The answer should be either Yes or No.

Column 16. *If going to join friend, state name and address of friend.* — The entry should show definitely by whom the passage was paid, whether by himself, by friends in the United States, by the steamship company, etc.

Column 17. *Whether in possession of $50 and how paid.* — Every alien should have in his possession at the time of embarkation a sum of money sufficient to prevent his becoming a public charge. Money brought on the head of a family should be distributed among the members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* — The answer should show whether the alien has been in the United States before and if so, the port or ports of entry and place or places of last residence.

Column 19. *Whether going to join a relative or friend, and if so, what relative or friend.* — The answer should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20. *Ever in prison, etc.* — These questions are to be answered in the manner indicated. The word "prostitute" is to be construed to apply to any woman who practices sexual immorality for hire, whether she be a professional prostitute or not. If aliens have been convicted of crime, or are under indictment, the circumstances should be fully reported.

AFFIDAVIT OF SURGEON

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

(Column 2, *Ticket or steerage*.)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

(Column 3, *Name in full*.)—Each person in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

(Column 4, *Sex*.)—The entry should be either M (male) or F (female).

(Column 5, *Married or single*.)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

(Column 7, *Calling or occupation*.)—The entry should describe each person as specifically as possible. The question refers to the occupation of persons 10 years of age and over, whether engaged in gainful occupations or not, including the occupations of housewife, servant, laborer, etc., and not simply a general statement that a person is a laborer, without specifying the character of labor performed. If a person has no occupation, the word "none" should be made. If no occupation, trade, profession, or particular kind of labor is specified, the word "laborer" should be made. In describing persons formerly engaged in agriculture, the words "farmer," "planter," "agriculturist," or "agriculturalist" should not be used, but instead the words "farm laborer," "stock raiser," "cotton planter," "wheat grower," etc., as the case may be. A person formerly engaged in trade, manufacturing, or other business should be described as a "merchant," "manufacturer," "banker," "clerk," etc., as the case may be. A "gentleman" or "lady" should be entered as such, only when no occupation, trade, profession, or particular kind of labor is specified. A person who has been employed at various occupations should be described by the occupation at which he last worked for money or profit. Persons having no occupation, trade, profession, or particular kind of labor should be returned as "laborers" if males, and as "housework" if females, over 16 years of age. Children should be returned as "at home" or "at school," as the case may be. Persons of leisure or persons living on their income should be returned as such. Merchants, manufacturers, bankers, and all persons having business interests should state the nature of the business. Clerks should state what kind of clerks they are, as "shipping clerk," "bank clerk," "errand clerk," etc. Persons engaged in the learned professions should be returned as "lawyer," "physician," "surgeon," "clergyman," "professor," "teacher," "engineer," "musician," "actor," "artist," "author," "journalist," etc. Persons following any mechanical pursuit should state the particular kind of work done, as "mason," "bricklayer," "machinist," "engraver," "tailor," "tailoress," "printer," "baker," "carpenter," "cooper," "shoemaker," "blacksmith," "boilermaker," "moulder," "painter," "plumber," "stonecutter," "weaver," "woolsorter," etc., and not simply "mechanic," "artisan," "workman," "factory hand," or "laborer."

(Column 8, *Nationality*.)—The nationality should be stated in every case. Care should be taken to distinguish between nationality and race, as the former has reference to country and the latter to ancestry. A native-born citizen of the United States should be returned as a citizen of the United States, irrespective of the country from which his parents came. A naturalized citizen should be returned as a citizen of the United States, irrespective of the country to which he formerly belonged. The nationality of persons born in the British Provinces should be carefully ascertained, and returned as "English," "Scotch," "Welsh," or "Irish," according to the birthplace and declaration of the person himself. Persons born in Germany, Austria, Hungary, Bohemia, Switzerland, or France should be returned according to the nationality declared, and not as "Dutch," "Austrian," "Hungarian," "Bohemian," "Swiss," or "French." Persons born in Turkey should be returned according to the race to which they belong, as "Turk," "Armenian," "Greek," "Syrian," "Arab," "Hebrew," "Jew," etc. Persons born in Africa should be returned as "African," "Negro," "Mulatto," or "Black," as the case may be. Persons born in Spain, Portugal, Italy, Mexico, Cuba, Central America, South America, or the West Indies should be returned according to the nationality declared, and not as "Spanish," "Portuguese," "Italian," "Mexican," "Cuban," "Central American," "South American," or "West Indian." Persons born in China, Japan, India, Siberia, Australia, Canada, Newfoundland, Iceland, Greenland, Mexico, Cuba, Central America, South America, or the West Indies should be returned as "Chinese," "Japanese," "East Indian," "Siberian," "Australian," "Canadian," "Newfoundland," "Icelandic," "Greenland," "Mexican," "Cuban," "Central American," "South American," or "West Indian," as the case may be.

CUBAN.

The term "Cuban" refers to the white people of Cuba.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro who has come from Africa or the islands of the West Indies. Negroes born in America (whether of African or American parents) or the African Negro who has become naturalized should not be returned as such.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and Sardinia), whether now living in the United States, Austria-Hungary, or elsewhere, should be classed as "Italian (North)." Most of these people speak a French dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, and Sicily), whether now living in the United States, Austria-Hungary, or elsewhere, should be classed as "Italian (South)." Most of these people speak a Latin dialect of the Italian language.

(Column 9, *Last residence*.)—The entry should show the name of the country of which the person is a native, or in which he last had a residence before coming to the United States, and not the place of birth, unless the same.

(Column 10, *Destined to*.)—The entry should show the intended future permanent residence. Where the person is destined to some place in the United States, the entry should show the State. Persons destined to Canada, Mexico, Cuba, Central America, South America, or the West Indies should be returned as destined to those countries, respectively.

(Column 11, *If having a ticket through to final destination*.)—The answer should be either Yes (ticket) or No (no ticket).

(Column 12, *If not, whether in possession of sufficient money to land*.)—The entry should show definitely by whom passage was paid, namely, by self, father, mother, husband, wife, brother, sister, friend, or relative, and the name and address of such person. If the person has not sufficient money to land, the entry should show the amount he has in his possession. Money brought by the head of a family should be considered as the property of the family, unless otherwise stated.

(Column 13, *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address*.)—The answer should show the name, relationship, and address of the relative or friend, and if no relative or friend, whether going to join a friend, and if so, what friend's name and address.

(Column 14, *Ever in prison, almshouse, or asylum; if so, what and when*.)—These questions and the answers should be carefully considered, as they are of the greatest importance. Persons who have been in prison, almshouse, or asylum, or who have been supported by charity, are not to be permitted to land, unless it can be shown that they are entitled to admission notwithstanding such facts. If a person has been in prison, almshouse, or asylum, or supported by charity, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

"Every one pretends to be deceived by the Greeks [from whom Webster's spelling and the Democratic party derive]. To be deceived always is to lead a life of the basest servility, and to be the dupe of one's self is the meanest degradation. The only deceived person should be the deceiver. The credulity of slaves is the main support of tyranny."

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, such as laborer, clerk, factory or grist mill operative, iron worker, wood worker, etc., and not merely "laborer," "operative," "engineer," "mechanic," "manufacturer," "dealer," etc.

A distinction should be made between farmers and farm laborers regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages or other compensation.

Specific information as to occupation is necessary and correct answers should be made if necessary, by questioning the alien. In the case of a person formerly engaged in a gainful occupation but not employed at the time of sailing, the entry should indicate the occupation followed at the last time employed. Persons of independent means or those having no occupation will be so described. Wives and children should be described as such, even though they may have been engaged in gainful occupations.

Column 8. (*Able to read.*)—The question is directed to ascertain the ability of aliens to read the language or some language or dialect. If they can read, write the word "Yes" in the column; if they cannot read, write the word "No."

Column 9. (*Able to write.*)—The question is directed to ascertain the ability of aliens to write the language or some language or dialect. If they can write, write the word "Yes" in the column; if they cannot write, write the word "No."

Column 10. (*Nationality.*)—Country of which citizen or subject.

Column 11. (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Column 12. (*Last residence.*)—The distinction between race and the country of which he is a citizen or subject is sometimes not sufficiently understood. For instance, a native of Germany may be a Hebrew by race, a native of Russia may be a Pole by race, a native of Great Britain may be a Welshman by race, a native of Canada may be a Frenchman by race, a native of Mexico may be a Spaniard by race, a native of Switzerland may be a Teuton by race, a native of Cuba may be a Negro by race, a native of Haiti may be a Negro by race, a native of Turkey may be a Turk by race, a native of Greece may be a Greek by race, a native of Arabia may be an Arab by race, a native of Persia may be a Persian by race, a native of India may be a Hindu by race, a native of China may be a Chinese by race, a native of Japan may be a Japanese by race, a native of Africa may be a Negro by race, a native of Australia may be an Australian by race, a native of New Zealand may be a New Zealander by race, a native of Scotland may be a Scot by race, a native of Ireland may be a Celt by race, a native of Wales may be a Welshman by race, a native of England may be an Anglo-Saxon by race, a native of Canada may be a Canadian by race, a native of Mexico may be a Mexican by race, a native of Cuba may be a Cuban by race, a native of Haiti may be a Haitian by race, a native of Turkey may be a Turkish by race, a native of Greece may be a Hellenic by race, a native of Arabia may be a Semite by race, a native of Persia may be a Persian by race, a native of India may be a Hindu by race, a native of China may be a Mongolian

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax at 4st). — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age). — The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). — The entry should be either M (male) or F (female).

Column 6 (Married or single). — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation). — The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, farmer, engineer, clerk, merchant, tailor, seamstress, shoemaker, laborer, blacksmith, carpenter, mason, cook, waiter, servant, barber, painter, weaver, baker, etc., and not laborer, except where such is the actual occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages and does not direct it.

Persons having no occupation, including children, should be returned as such.

Column 8 (Can read and write). — This and the two following questions are designed to ascertain the literacy or illiteracy of aliens. Persons who can read in any language (including those who can merely read a printed page in their own tongue) should be returned as able to read. Persons who can write in any language (including those who can merely write their own names) should be returned as able to write.

Column 9 (Nationality). — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people). — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is called to the distinction between race and the country of which citizen or subject. Persons of each nationality, and sometimes of several nationalities, belong to each race. Thus, persons coming from the British Isles belong to the Celtic, Anglo-Saxon, Teutonic, or Hebrew race, according to their language, customs, and traditions. Persons coming from the German Empire belong to the Teutonic or Hebrew race. Persons coming from the Republic of Mexico belong to the Spanish, Indian, or mixed race, according to their language, customs, and traditions. Persons coming from the Dominion of Canada belong to the Anglo-Saxon, French, Celtic, Teutonic, or Hebrew race, according to their language, customs, and traditions. In this connection the following classifications should be separately observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (Black)" refers to the African Negro, who does not come from either of the West Indies, Central America, or South America. All such who are citizens or subjects of the African Negro states should be described under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, France, or any other country, should be classed as "Italian (North)." Most of these people speak a Italian dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria, France, or any other country, should be classed as "Italian (South)."

Column 11 (Last permanent residence). — Actual statement should be made of the last place of permanent residence. The last country in which alien resided one year or more should be given. Persons who have been in the United States and have left for a temporary visit abroad should be returned as having their permanent residence in the United States. Persons who have been in the United States and have left for a temporary visit abroad should be returned as having their permanent residence in the country from which they emigrated. Persons coming from one country to another for the purpose of temporary residence should be returned as having their permanent residence in the country from which they emigrated.

Column 12 (Ever in U. S.). — Persons who are returning former residents of the United States and are returning to the United States should be returned as "Yes." Persons who have never been in the United States should be returned as "No."

Column 13 (Name and address of nearest relative or friend in country whence alien came). — The entry should give name and address of such relative. If no such relative or friend, give name and address of friend.

Column 14 (Final destination). — The answer to this question should be written so as to show future permanent residence. A statement of the place to which alien intends to go ultimately should not be accepted. Persons who intend to proceed immediately to some other place, but who ultimately intend to settle permanently in the United States, should be returned as having the United States as their destination. If alien is destined to some place in the United States, the State must be named. Persons destined to Canada, Mexico, Cuba, Central America, South America, Europe, Asia, Africa, Australia, or Pacific Islands should be returned as destined to such country. Persons who intend to return to their native country should be returned as destined to such country.

Column 15 (Whether having a ticket through to final destination). — The answer should be either Yes (or X) or No (or —).

Column 16 (Whether any person paying passage). — The entry should show whether the passage was paid by the alien himself or herself, by relatives in the United States, or by others, and should state the name and address of the person paying the passage.

Column 17 (Whether in possession of $50 and if not, how much less). — The entry should show whether each alien has in his or her possession at least $50 in money, or, if not, how much less than $50 he or she has. Any amount of money in possession of an alien should be considered, whether it belongs to him or her or to some friend or relative. Any alien who has been in the United States and has left for a temporary visit abroad should be returned as having in his or her possession the amount of money which he or she had when he or she left the United States. Any alien who has been in Canada, Mexico, Cuba, Central America, South America, Europe, Asia, Africa, Australia, or Pacific Islands should be returned as having in his or her possession the amount of money which he or she had when he or she left the country from which he or she emigrated. Any alien coming to the United States to settle permanently should be returned as having in his or her possession at least $50, even if it be actually less, unless he or she is in actual possession of property of his own or of his family amounting to $50 in value.

Column 18 (Whether ever before in U. S., and if so, when and where). — The answer should be either Yes (or X) or No (or —). If answer is Yes, the date and place should be given.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address). — The entry should show whether each alien is going to join a relative or friend, and should give the name and complete address of such relative or friend.

Column 20 (Whether ever in prison or almshouse or supported by charity, and if so, what and when). — These questions are answered Yes or No (or X or —). If answer is Yes, explanation should be given. Persons who have been in prison, almshouse, or supported by charity, but who have been pardoned, discharged, or relieved, are to be returned as having been in prison, almshouse, or supported by charity, as the case may be. Persons who have been in prison, almshouse, or supported by charity, but who have been pardoned, discharged, or relieved, are to be returned as having been in prison, almshouse, or supported by charity, as the case may be.

Column 21 (Whether a polygamist). — The answer should be either Yes (or X) or No (or —).

Column 22 (Whether an anarchist). — The answer should be either Yes (or X) or No (or —).

Column 23 (Whether coming under contract or agreement to perform labor). — The answer should be either Yes (or X) or No (or —). If answer is Yes, explanation should be given. Persons who have been in the United States and have left for a temporary visit abroad should be returned as having been in the United States. Persons who have been in Canada, Mexico, Cuba, Central America, South America, Europe, Asia, Africa, Australia, or Pacific Islands should be returned as having been in such country. Persons who have been in the United States and have left for a temporary visit abroad should be returned as having been in the United States. Persons who have been in Canada, Mexico, Cuba, Central America, South America, Europe, Asia, Africa, Australia, or Pacific Islands should be returned as having been in such country. Persons who have been in the United States and have left for a temporary visit abroad should be returned as having been in the United States. Persons who have been in Canada, Mexico, Cuba, Central America, South America, Europe, Asia, Africa, Australia, or Pacific Islands should be returned as having been in such country.

Column 24 (Whether in good health and good condition of mind and body, or deformed or crippled, and if so, how). — These questions are answered Yes or No (or X or —). If answer is Yes, explanation should be given. Persons who have been in the United States and have left for a temporary visit abroad should be returned as having been in the United States. Persons who have been in Canada, Mexico, Cuba, Central America, South America, Europe, Asia, Africa, Australia, or Pacific Islands should be returned as having been in such country. Persons who have been in Canada, Mexico, Cuba, Central America, South America, Europe, Asia, Africa, Australia, or Pacific Islands should be returned as having been in such country.

Column 25 (Height). — The height of each alien should be stated in feet and inches.

Column 26 (Complexion). — The complexion of each alien should be described as light or dark.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____ of _____ in the _____ of _____ and _____ of _____, do solemnly swear that I am the master or commanding officer or first or second officer thereof (as the case may be); that I have caused a careful and critical examination to be made of each and all of the aliens named in the foregoing Lists or Manifests Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien. Aged persons, children, and infants may be described as "none." Laborers, without further description, should be entered as such. Do not use such terms as "gentleman," "lady," "servant," "student," "boy," "girl," or "child."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in possession.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages or compensation.

Steamship companies should insist upon literal and correct returns in this column, and corrections should be made, if necessary, by requiring the production of occupation certificates.

Column 8 (*Able to read*).—This column should be used only to record the literacy or illiteracy of persons 14 years of age and over. Every alien who can read some one language, whether his home language or not, should be entered as able to read. If exemption is claimed, under what grounds.

The word "language," in connection with this question, is understood to mean the reading test and not the mere writing of words.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of the sheet. The entry should show the race or people to which each alien belongs.

Special attention is directed to the distinction between race and the country of which a person is a citizen or subject. For example, natives of the Republic of Panama, of the Canal Zone, and of the Republic of Cuba, should be entered as to race or people according to the fact whether they belong to the brown, black, or yellow race, or to the Spanish or Latin race, rather than as to the country of which they are citizens or subjects. Persons born in Canada should be entered as English, Scotch, French, German, Irish, Italian, Spanish, Portuguese, Scandinavian, Finnish, Hebrew, or other race or people, according to the best information obtainable. Persons born in Germany should not necessarily be entered as Germans. Natives of Ireland, Germany, or Italy may belong to the Celtic, Teutonic, or Latin race, respectively, or to some other race or people, and should be entered accordingly. Persons born in the British Dominions, or in the Republic of Cuba, should not be entered as English, Scotch, Irish, or Canadian, unless they belong to the race or people thereto belonging. In connection with the foregoing, the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the native people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than natives of Cuba or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America, if Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from the native states of the West Indies, Central America, South America, or Africa. All persons with a visible admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual permanent residence should be entered. Temporary visits abroad should not be recorded. Thus, if an alien has resided in the United States for many years, but returned to Italy for a visit of a few months, and then came back to the United States, his permanent residence should be entered as in the United States. If he has lived in Canada for many years, but has never severed his allegiance to the British Crown, he should be entered as from Canada. Aliens who have lived in two countries for long periods should be entered as from the country in which they have resided last. Do not enter as "U. S." or "America."

Column 12 (*Final destination*).—The answer to this question should show the intended future permanent residence of the alien, and should be entered as near as practicable to the place of his intended future permanent residence within the United States. The entry should be the name of the city or town, if intended future permanent residence is within the United States; country, if outside the United States.

Column 13 (*Whether in transit through the United States to such final destination*).—The answer should be either Yes or No, as indicated.

Column 14 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, whether himself, father, mother, other relative, friend, steamship company, etc.

Column 15 (*Whether in possession of $50, and how much*).—The answer should give the exact amount of money in the possession of the alien, whether it be his own money or that of another person. Money, brought by the head of a family, should be entered in the name of the head of the family.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The answer should show whether the alien has ever been in the United States, and if so, the year or period of time and place of residence.

Column 17 (*Whether going to join a friend, and if so, what relative or friend*).—The answer should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18 (*Ever in penitentiary, etc.*).—These questions are self-explanatory, and the answers, like all others on the manifest, are subject to the closest scrutiny by the examining officers. However, persons making false answers to questions 17, 18, and 19 are not reported to the Secretary of Labor but are excluded from admission and deported without a hearing. Persons who have been convicted of a felony or other crime involving moral turpitude are excluded from admission to the United States, unless the person convicted shall have been pardoned or shall have served the penalty imposed for such crime, but are not reported to the Secretary of Labor for deportation. Persons who admit the commission of such crime before coming to the United States are excluded from admission, but are not reported to the Secretary of Labor for deportation unless they have been convicted of such crime. Persons who admit the commission of such crime after coming to the United States are reported to the Secretary of Labor for deportation. Persons who have been convicted of such crime after coming to the United States are reported to the Secretary of Labor for deportation. Persons who have been convicted of such crime before

AFFIDAVIT OF SURGEON

I, the undersigned, solemnly swear that I am a _____ *and Surgeon, and that I am entitled to practice as such by and under the authority of the* _____, *and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets,* _____ *inclusive, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.*

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, from _____, do solemnly swear that I have caused a personal and careful examination to be made of each and all of the persons named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*)—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Actual engineer, shoemaker, clerk, mason, mechanic engineer, brass polisher, stone cutter, iron worker, wood turner, etc., and not such indefinite terms as laborer, farmer, servant, waiter, or mechanic.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Strict adherence to the above rule is enjoined, and correct classification should be made if necessary, by inquiry of the alien and by questioning the persons examined in groups, etc.

Column 8 (*Able to read and write.*)—This column is divided into two parts to accommodate the following questions: "Can you read?" "Can you write?" The answers to these questions should be recorded in the proper columns. It is not necessary to record and characterize the degree of literacy required by section 2 of the act, the answer to each question being sufficient.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of the sheet. The entry should show the racial group as given in that list.

Should a person claim to be entitled to the immediate residence between race and that country of which he is a citizen or subject, country of last permanent domicile, and country, or land, last specifically claimed as the country to which he belongs and possesses allegiance, as for example: Alien claims to be a citizen of Germany, but has resided in Belgium for 10 years and has a permanent domicile there. He should be recorded as a German, race or people, Belgian. Another alien claims to be a citizen of Russia, but has resided in Germany, where he has acquired a permanent domicile. He should be recorded as a Russian, race or people, German. Another alien claims to be a citizen of Russia, but has resided in Belgium for 10 years and has a permanent domicile there. He should be recorded as a Russian

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as far as applicable. Use such terms as farmer, stockraiser, engineer, laborer, tailor, cook, baker, butcher, carpenter, painter, blacksmith, miner, weaver, wood turner, clerk, and not simply gentleman, lady, servant, scholar, student, child, boy, girl, baby, etc.

A laborer who works in the fields should be made distinct from farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for some one who possesses it.

Steamship companies shall report the occupation of all passengers, and corrections should be made if necessary, by Government officials at the time of inspection at the port of arrival.

Column 8 (*Can read or cannot read*).—The entry should show whether the alien can or can not read the English language or any other language or dialect. The answer should be "Yes" or "No." Persons who can read only music notes should be reported as unable to read. The test of reading shall be the reading by the alien of any printed matter in ordinary use, such as newspapers, books, etc., and not mere reading of single words or short sentences.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of the sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the choice to be made between the words and the countries of which they are the inhabitants. Thus, the inhabitant of the country of Ireland is to be described as an Irish person, and the inhabitant of both Scotland and England should be described by the words Scotch and English, respectively. The word "American" is not the name of a race or people, but of a country. An alien coming from the United States of America, or British America, or Mexico, may belong to any race or people whatever, and the race or people to which he belongs must be determined by the circumstances in each case. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who has come from Africa to this country, but he of the West Indies, South or South American, Mexican or American, and with whom no mixture of blood of the African Negro should be considered as changing his race or origin.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Liguria, Venetia, and Emilia, and their descendants, with the exception of Italians born abroad of parents temporarily sojourning in foreign countries. A native, citizen, or subject of Italy, or a descendant of such native, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A literal answer to this question should be given. If the alien has been in the United States, the name of the city, town, or village in which he last had a permanent residence should be stated. If he has been in any foreign country, the name of the country should be stated. If he has never been in the United States, he should state the country in which he has had his last permanent residence. Ditto marks should not be used. The entry should show the name of the city, town, or village in which the alien has had his last permanent residence, and not the name of a temporary residence, country, or large province.

Column 12 (*Ever in U. S.*).—The answer should show whether or not the alien has ever been before in the United States, and the answer should be "Yes" or "No."

Column 13 (*Name and complete address of person to whom immigrant is going in country whence came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (*Final destination*).—The answer to this question should show the city, town, or village in which the alien has last had a fixed, permanent residence. If going to the United States, the answer should show the State in the Union in which he intends to make his permanent residence. If going to Canada, the answer should show the province in which he intends to make his permanent residence. If going to Mexico, the answer should show the city, town, or village in which he intends to make his permanent residence. Ditto marks should not be used. The entry should show the name of the city, town, or village of final destination, and not the name of a temporary residence, country, or large province.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No, as the case may be.

Column 16 (*Whether the passage paid*).—The entry should show definitely by whom the passage was paid, as "self," "steamship company," "other persons," "friend," "employer," "government," etc.

Column 17 (*Whether in possession of $50 and if not, how much*).—The entry should be "Yes" or "No," as the case may be. If the alien has less than $50, the exact amount possessed should be shown. Money, to include bills, coin, drafts, checks, and money orders, but not railroad tickets.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The answer should show whether or not the alien has been in the United States before, and if so, the year, or period of years, and place, as "1902, New York."

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join father, mother, husband, wife, child, brother, sister, friend, or relative, and what relative or friend, with name and complete address.

Columns 20 to 24.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to revision by the proper officers of the United States at the port of arrival. However, in answering question "6, if aliens have been detained at other ports for special examination by the Bureau of Immigration and Naturalization, the authority for such detention should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien over 15 years of age. Common terms, such as laborer, farmer, etc., are not sufficient. Persons engaged in some particular branch of a trade should specify it, as, for example, mason's helper, stone cutter, bricklayer, carpenter, painter, engineer, etc. Persons having no occupation should be returned as "none," and housewives should be so returned.

A distinction should be made between farmers and farm laborers, regardless of the amount of money owning, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who performs any of the many kinds of work connected with operating a farm, such as plowing, planting, cultivating, or harvesting crops, or who works with domestic animals or cares for them.

Specific entry is required in all cases in which the occupation returned is such as to require a special training, as in the professions, or to indicate a degree of skill, as in the various mechanical trades. Persons reporting no occupation, or occupations indicating only general labor, should be carefully questioned as to their previous occupations, and if any special skill is disclosed that fact should be noted. For instance, a laborer who has been employed as a coal miner, cotton mill operative, iron molder, etc., should be returned as such, and not merely as laborer.

Special attention should be paid to the distinction between race and country of birth, and responses should be expressed in such terms as will indicate clearly to which race the immigrant belongs. For instance, a native of Ireland should be returned as Irish, not British; a native of Wales as Welsh, not British; a native of Scotland as Scotch, not British; a native of France as French, not German; a native of Germany as German, not French; a native of Bohemia as Bohemian, not Austrian; a native of Hungary as Hungarian or Magyar, not Austrian; a native of Finland as Finnish, not Russian; a native of Poland as Polish, not Russian, German, or Austrian; a native of Canada as Canadian, not English, Irish, Scotch, or British; a native of Mexico as Mexican, not Spanish; a native of Cuba as Cuban, not Spanish; a native of Scandinavia as Scandinavian, not Swedish, Norwegian, or Danish; a native of Turkey in Asia as Armenian, Syrian, Arabian, Turkish, Kurdish, Persian, Chaldean, Hebrew, or Palestinian, as the case may be, not Turkish; a native of India as Hindu, Bengali, Punjabi, Afghan, Parsee, Singhalese, Tamil, Pathan, Marathi, Gujarati, Telugu, Kanarese, Malayalam, Baluchi, Sindhi, Assamese, Oriya, Kashmiri, Burmese, Siamese, Malay, Sinhalese, Maldivian, Nepalese, Tibetan, Bhutanese, or Sikkimese, as the case may be, not East Indian; a native of Korea as Korean, not Japanese; a native of Australia as Australian, not English, Irish, Scotch, or British; a native of New Zealand as New Zealander, not English, Irish, Scotch, or British; a native of Iceland as Icelandic, not Danish; a native of Brazil as Brazilian, not Portuguese; a native of Portugal as Portuguese, not Spanish; a native of Liberia as Liberian, not African; a native of Egypt as Egyptian, not African; a native of Abyssinia as Abyssinian, not African; a native of Arabia as Arabian, not Asiatic Turkish; a native of Siberia as Siberian, not Russian; a native of Malta as Maltese, not Italian; a native of Luxemburg as Luxemburger, not German; a native of Switzerland as Swiss, not German, French, Italian, or Austrian; a native of Greece as Greek, not Turkish; a native of Servia as Servian, not Austrian; a native of Montenegro as Montenegrin, not Austrian; a native of Bulgaria as Bulgarian, not Turkish; a native of Roumania as Roumanian, not Russian; a native of Belgium as Belgian, not German, French, or Flemish; a native of Holland as Dutch, not German; a native of Netherlands as Netherlandish, not Dutch, German, or Flemish; a native of Africa as African, not Asiatic Turkish; a native of Asia as Asiatic, not Turkish; a native of Europe as European, not Austrian, Hungarian, Russian, Turkish, German, or Spanish.

Column 8 (*Nationality*).—Question 8 should be construed to mean the country of which aliens are citizens or subjects.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which aliens are subjects or citizens. In the present state of political geography in Europe it will be found that in many countries of birth two or more races or peoples are represented, and in such cases the race should be returned. For instance, a native of Austria may belong to any one of several races or peoples, as German, Bohemian, Magyar, Polish, Croatian, Slovak, Slovenian, Ruthenian, Italian, Roumanian, Servian, or Jew, and a native of Hungary may belong to any one of the races or peoples last named, except German. Similarly, a native of Russia may belong to any one of the races or peoples last named, except German, Bohemian, or Magyar. A native of Turkey in Asia may belong to any one of the races or peoples last named, except German, Bohemian, Magyar, Polish, Croatian, Slovak, Slovenian, Ruthenian, Italian, Roumanian, Servian, Montenegrin, Bulgarian, Greek, Russian, or Jew. A native of Germany may belong to any one of the races or peoples last named, except German, Bohemian, Magyar, Polish, Croatian, Slovak, Slovenian, Ruthenian, Italian, Roumanian, Servian, Montenegrin, Bulgarian, Greek, Russian, Jew, Turkish, Armenian, Syrian, Arabian, Chaldean, Hebrew, or Palestinian. A native of Switzerland may belong to any one of the races or peoples last named, except German, Bohemian, Magyar, Polish, Croatian, Slovak, Slovenian, Ruthenian, Italian, Roumanian, Servian, Montenegrin, Bulgarian, Greek, Russian, Jew, Turkish, Armenian, Syrian, Arabian, Chaldean, Hebrew, Palestinian, Spanish, Portuguese, Dutch, Flemish, Scandinavian, Swedish, Norwegian, Danish, Icelandic, Finnish, Lapp, Liberian, African, Asiatic Turkish, Egyptian, Abyssinian, Arabian, Siberian, Maltese, Luxemburger, Swiss, Greek, Servian, Bulgarian, Roumanian, Belgian, Flemish, Dutch, Netherlandish, Australian, New Zealander, Canadian, Mexican, Cuban, Brazilian, Portuguese, Hindu, Bengali, Punjabi, Afghan, Parsee, Singhalese, Tamil, Pathan, Marathi, Gujarati, Telugu, Kanarese, Malayalam, Baluchi, Sindhi, Assamese, Oriya, Kashmiri, Burmese, Siamese, Malay, Sinhalese, Maldivian, Nepalese, Tibetan, Bhutanese, Sikkimese, Korean, Japanese, Icelandic, Finnish, Lapp, Liberian, African, Asiatic Turkish, Egyptian, Abyssinian, Arabian, Siberian, Maltese, Luxemburger, Swiss, Greek, Servian, Bulgarian, Roumanian, Belgian, Flemish, Dutch, Netherlandish, Australian, New Zealander, Canadian, Mexican, Cuban, Brazilian, Portuguese, Hindu, Bengali, Punjabi, Afghan, Parsee, Singhalese, Tamil, Pathan, Marathi, Gujarati, Telugu, Kanarese, Malayalam, Baluchi, Sindhi, Assamese, Oriya, Kashmiri, Burmese, Siamese, Malay, Sinhalese, Maldivian, Nepalese, Tibetan, Bhutanese, Sikkimese, Korean, Japanese, Scandinavian, Swedish, Norwegian, Danish, Finnish, Lapp, Spanish, Portuguese, Dutch, Flemish, Netherlandish, Australian, New Zealander, Canadian, Mexican, Cuban, Brazilian

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [redacted] *from* [redacted]

[redacted] *employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* [redacted] *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

[redacted]

Officer.

Sworn to before me this [redacted] *day of* [redacted]*, 19*

at NEW YORK

[redacted]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien at the time of his arrival and last permanent location before coming to the United States, whether he pursues the calling on his own account or for another, and whether he is a skilled or unskilled worker. Such entries as "laborer," "servant," "student," "without occupation," "none," "housewife," "housework," "child," and the like, are not sufficiently descriptive.

A distinction should be made between farm laborers and farmers, regardless of the amount of money they may have.

A farmer means one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for farmers who operate it.

Stockmen, overseers, foremen, and other persons who have charge of others should be so described.

Read what the passport says if a passport was issued upon which the alien is applying for admission. Read and choose carefully from the following descriptions those which apply to each person to be examined.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. The races or peoples of Europe are numerous, and countries of birth and nationality should be carefully scanned to make sure that the race is correctly stated. For instance, a native of Germany may be a Hebrew, Bohemian, Pole, Slovak, Croatian, Slovenian, Dalmatian, Bosnian, Herzegovinian, Montenegrin, Servian, Bulgarian, Roumanian, Greek, Italian, Spanish, Portuguese, Scandinavian, Finnish, Russian, or Lithuanian race or people, rather than a native of Germany, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Native, whether a native of Africa proper or of the Islands of the West Indies, Central America, Europe, or America. Any person with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, including the compartimenti of Piedmont, Liguria, Lombardy, Venetia and Emilia, and their descendants, whether born in Italy or elsewhere, are classified as North Italians, no matter what country, colony, or province they may have last come from. Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, including the compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether born in Italy or elsewhere, are classified as South Italians, no matter what country, colony, or province they may have last come from. Most of these people speak a Latin dialect of the Italian language.

Column 11 (*Last permanent residence*).—Several facts are to be ascertained under this head, namely, the country of permanent residence. The last country in which each alien has resided for one year or more is to be regarded as his permanent residence, regardless of intervening visits to other countries. Thus, a native of Italy who has resided in the United States for ten years, and who has returned to Italy for a visit of six months, has his permanent residence in the United States. If he has resided in Italy or elsewhere for one year or more since last coming to the United States, that country is his permanent residence, no matter how often he has been in the United States. Care should be taken to ascertain the facts in each case, and the entry should show the country which has been the last permanent residence of the alien. Nothing in the law requires that the alien must have resided in the last country for any specified length of time, but he must have had his last permanent residence there. Visits to the United States do not change the permanent residence. Persons who have resided in the United States and are returning after visiting their former homes abroad should be recorded as "United States."

Column 12 (*Visa*).—Consular officers issuing visas in passports should enter the number, place, and date of issuance of the visa in this column.

Column 13 (*Final destination*).—The answer to this question should show the intended future home or permanent residence of the alien. Thus, if a person intends to remain in the United States for a year or more, he should be recorded as destined to the United States, no matter how often he may intend to visit foreign countries during that period. If he intends to return to the country from which he came after a visit to the United States, that country is his destination.

Column 14 (*Whether having a ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom passage paid*).—The entry should show definitely by whom passage was paid, stating whether by himself, father, mother, or other relative, friend, steamship company, etc.

Column 16 (*How much money in possession*).—The entry should show the amount of money in each case, stating whether it is more or less than $50. Money brought by the head of a family should be stated in the case of each member of the family. Money brought by the head of a group should be stated in the case of each member of the group.

Column 17 (*Whether going to join relative or friend, and if so, what relative or friend, and where*).—The entry should show whether the alien has a ticket to join relatives or friends, and if so, the name and address of such relative or friend.

Column 18 (*Whether ever in prison or almshouse, and if so, why*).—The entry should show whether the alien has been in prison or almshouse within the year preceding his coming to the United States, and if so, why.

Column 19 (*Whether a polygamist*).—The entry should show whether the alien is a polygamist, that is, whether he practices the custom of having more than one wife at the same time.

Column 20 (*Whether coming under contract or assisted by others*).—The entry should show whether the alien is coming under contract to perform labor, or whether he has been assisted by others in coming, stating who assisted him.

Column 21 (*Whether an anarchist*).—The entry should show whether the alien is an anarchist.

Column 22 (*Whether previously in the United States or where otherwise previously resided*).—The entry should show whether the alien has been previously in the United States or elsewhere, stating when and for how long and in what capacity.

Column 23 (*Whether ever before refused admission to the United States*).—The entry should show whether the alien has ever before been refused admission to the United States, and if so, when and where.

Column 24 (*Whether deported or removed at own expense or otherwise*).—The entry should show whether the alien has ever been deported from the United States, and if so, whether at his own expense or at the expense of others.

Column 25 (*Condition, mental, physical, and physical defect*).—The examining surgeon will enter here any observed mental or physical defect or abnormality in the alien.

Columns 26 to 29.—These questions are self-explanatory and the answers like the others on the sheet are required to be given by the responsible officers of the steamship company. However, in answering question 28, if alien has been rejected within one year, the name of Labor that authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

and Surgeon, and that I am entitled to inspect and examine such list and make this report;

, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Coal miner, statistary engineer, machine engineer, mining engineer, blacksmith, shoemaker, tailor, carpenter, wood turner, etc., and not simply as laborer, peasant, gentleman, lady, servant, waiter, boy, girl, etc.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner who operates it.

Steamship companies should examine each list when it is received from the agents and corrections should be made, if necessary, by reference to the ticket, or ticket receipt, or the personal statement of the alien.

Column 8 (*Ever in jail, etc.*).—The answer should be either Yes or No, and should contain the word "Penal" when the alien comes to be passed upon by the Board of Special Inquiry. The object is to exclude the following classes: Persons who have been in prison, or almshouses for the period of one year or more; persons who have been supported by charity; persons who have been insane within five years; persons who have had two or more attacks of insanity at any time previously; epileptics; professional beggars; persons who are mentally or physically defective, such defect being of a nature which may affect the ability of the alien to earn a living; persons who have been deported under any provision of law; persons who have been convicted of or admit having committed felony or other crime or misdemeanor involving moral turpitude; polygamists; anarchists; persons who believe in or advocate the overthrow by force or violence of the Government of the United States or of all forms of law; persons who disbelieve in or are opposed to organized government; persons who advocate or are members of or affiliated with any organization entertaining a belief in, teaching, or advocating the unlawful destruction of property; persons coming in pursuance of any prearranged plan of a contract or agreement to perform labor in the United States; and persons who have come in consideration of the payment or agreement to pay for their passage by another who has paid the same.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race to which immigrant belongs.

Special attention should be paid to the distinction between race and country of which the person is subject. Persons of like race frequently reside in and emigrate from many countries, and lines should be drawn rigidly in separating and tabulating aliens according to race. For instance, Chinese emigrating from the Island of Hongkong should be set down as Chinese, though the place is under the British flag, because the people are Chinese. On the other hand, Hebrews frequently emigrate from many countries, but they are all Hebrews, whether they come from Russia, Germany, France, England, Turkey, or any other country. In the connection the following definitions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people of Negro descent.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, Mulatto or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Africa, the British West Indies, South or Central America, Europe or Africa. Any alien of the Negro race, whether born in the United States or not, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, the compartimenti of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise (Campania, Venezia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)." Most of these people speak a Latin dialect of the Italian language.

Column 11 (*Last permanent residence*).—Natural-born citizens of the United States should write the permanent residence. If naturalized, or who had declared their intention to become citizens, the entry should be the country in which alien last acquired permanent residence. Persons who have been in the United States, have declared their intention to become citizens, but returned to their native country, should have the country and place of last permanent residence. Persons who have been naturalized, or declared their intention to become citizens, and have resided in foreign countries for a number of years, should be questioned closely as to their permanent residence, and the answer should be carefully noted.

Column 12 (*Final destination*).—The answer should show the city and State in the United States to which alien is destined. Aliens should not be considered for the permanent residence, if within the United States, unless they have a ticket to some point therein.

Column 13 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 14 (*By whom was passage paid*).—The entry should show distinctly by whom passage was paid—whether by himself, parent, friend, or other person, giving name and address.

Column 15 (*Whether in possession of $50 and by whom furnished*).—The answer should be Yes or No, and should also show by whom the money was furnished. Money, whether in the hand of the alien or shown to be in possession of friends who have accompanied him, should be considered as in his possession.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The entry should show whether or not alien has been in the United States before, and if so, the time and place as near as can be ascertained.

Column 17 (*Whether going to join a relative, friend, and if so, what relative or friend, with name and complete address*).

Column 18 (*Ever in prison, etc.*).—These questions are self-explanatory, and the answers, like all others, should be such as to indicate by suggestion, if not by positive statement, whether the immigrant belongs to any of the excluded classes. However, if, in response to question 17, alien has stated he is going to join a relative, friend, etc., the name and address of such relative or friend should be carefully noted, and if such relative or friend is in a position to assist alien to support himself, the fact should be noted. If alien has stated he is going to a friend who is not in a position to assist him, or to a place where employment is not open, or if he has no friend or relative to go to, the fact should be noted, as it may indicate that he is likely to become a public charge. If alien has been in the United States before, and has been deported, or has been in prison or almshouse, or supported by charity, the fact should be noted, as it may indicate that he is likely to become a public charge. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, civil engineer, clerk, dressmaker, laborer, machinist, merchant, miner, painter, lawyer, scholar, steel worker, tailor, teacher, wood turner, etc., and not simply "laborer," "gentleman," "lady," or "servant," or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in possession.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Statements in regard to calling or occupation must be verified on the manifests, and corrections should be made if necessary, by inspectors at the ports, where alone the personal examination of aliens can be had.

Column 8 (*Able to read or write*).—This column is to include [illegible] "Read what language [or] dialect" or "Can write what language [or] dialect." In answering this question the language or dialect mentally [illegible] must always be stated. If [illegible] is answered in the affirmative except [illegible] the reading requirement, the ground for such exemption should be entered.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is invited to the distinction between race and the country of which the person is a subject, and a country of last permanent residence and country of birth. Each of these should be carefully considered by inspectors and the entry made in this regard. For instance, Germany is a country, the people of which may belong to any one of several races, English, French, Spanish, Italian, Irish, Scotch, Welsh, Dutch, Flemish, Swiss, Polish, Russian, Hebrew, or other race. An entry of German, or Hebrew, or Russian, or Polish, or Irish, or Scotch, or Welsh, or English, or French, or Spanish, or Italian, or Swiss, or Dutch, or Flemish, or Polish, or Russian, or Hebrew, or other race, should be followed by the name of the country to which such race belongs, as the case may be, Germany, France, Spain, Italy, Switzerland, Holland, Belgium, Poland, Russia, Turkey, Scandinavia, England, Scotland, Ireland, Wales, or other country. In this connection the following distinctions are to be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro race, whether immigrants from Africa or the islands of the West Indies, Central America, South America, or elsewhere. Any admixture of white blood in the African Negro should be recorded in the description.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)." Consult "last permanent residence" in order to ascertain the year above mentioned. The last country in which they resided with the intention of remaining, or where their permanent residence existed, should be entered, even though they may have lived in the United States or elsewhere for many years, provided such residence was not interrupted by a definite intention to change it. [illegible] the United States and [illegible] Italian steamship companies are loaded, should consist of persons who have resided more than a year in the country of which they are natives. [illegible] of necessity or instinctive resistance to control, of both these classes.

Column 11 (*Last permanent residence*).—The answer to this question should show the country in which each alien has had his last permanent residence. A person who has lived in the United States and who returns to his native country to remain permanently should be credited to the United States. [illegible] country whence they came. The entry should show the country to which each alien intends to go and expects to remain permanently, if such intention exists. [illegible] the United States.

Column 12 (*Whether in possession of money, etc.*).—The answer should be either Yes or No. [illegible] No.

Column 13 (*Final destination*).—The answer should be given as definitely as possible, and should show the name of the city, town, or village in the United States to which each alien is destined. [illegible] destination in the United States, it will be sufficient to write the name of the State. [illegible] the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes or No. [illegible] No.

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as "Self," "Father," "Husband," "Friend," "Employer," etc.

Column 16 (*Whether in possession of $50 and if not, by whom furnished*).—The answer should be made in the case of each alien, the exact amount in dollars. Money brought by the head of a family should not be credited to the members of the family.

Column 17 (*Whether ever before in the United States and if so, when and where*).—The answer should show whether each alien has been in the United States before, and if so, the year or part of a year and place (as "1903, Philadelphia").

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should be "No" [illegible] by an alien who is coming to join a friend, and then, what relative or friend, with name and complete address.

Columns 19 to 21.—These questions are intended exclusively for the protection [illegible] are to be answered by a competent [illegible] Moreover, in answering questions 20 [illegible] which [illegible] Labor must be satisfied [illegible] to supply for admission, the authority for such requirement should be given.

AFFIDAVIT OF SURGEON

I, [redacted], a Surgeon in the United States Public Health Service, duly appointed and acting as such, and having been detailed by the Surgeon General of the Public Health Service to perform the duties of an Immigration Surgeon at the port of [redacted], and as such Immigration Surgeon being charged with the duty of making a physical and mental examination of certain aliens who arrived at the port of [redacted] on the steamship [redacted], and that I am duly authorized to perform such duty by the Regulations governing the medical examination of aliens, do hereby depose and say that I have personally examined each of the aliens named herein, and that the foregoing List or Manifest Sheets, [redacted] in number, correctly, to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

Sworn to before me this NOV 3 1925 day of [redacted], 19[redacted]

at [redacted]

Note.—If a person subject to any of the above classes is found by the Immigrant Inspector at any other port of arrival, the fact that he was not certified by the Surgeon at the foreign port of departure must be noted on his or her card, and the reason stated.

LIST OF RACES OR PEOPLES
